Dear Chairman Briggs:

Our project is scheduled to be heard by the Board of Supervisors on February 26, 2013. We learned yesterday that there will not be a full Board at the February 26 meeting. We request a continuance to the meeting of March 12, 2013, when we understand that there is a full Board scheduled to be in attendance.

Additionally, other last-minute community-related opportunities have presented themselves. The additional two weeks will give us a chance to investigate those opportunities.

Respectfully,

George M. Carpenter, Jr.
Vice President
