To: Clerk of the Board <edc.cob@edcgov.us>, Shiva Frentzen <bostwo@edcgov.us>, John Hidahl <bosone@edcgov.us>, Sue Novasel <bosfive@edcgov.us>, "Parlin, Lori" <bosfour@edcgov.us>, Brian Veerkamp <bosthree@edcgov.us>

Concerns - Are all County employees continuing to show up to work? From what I've been told there are over 1100 county employees with the majority coming in from outside of the County. Hopefully the County has reduced the amount of employees coming into work for non-essential services - please let us know how county functions have been reduced in order for county employees to be able to stay home.

Also other areas look at El Dorado County as a large recreational area and with the masses no longer working and schools out, the public is being drawn to our County. Perhaps the county should consider some type of declaration that our County is not open for tourists and recreational opportunities during this time - please stay home.

Lastly, with the difficulty of public accessing public meetings it would be appreciated if the Board would reduce non-essential governmental actions until the public can once again fully participate, especially development, planning and transportation projects.

Thank you for your consideration,  
Sue Taylor

To whom it may concern,

Please enact a ban on STR's as soon as possible. If the State has a shelter in place order then just like restaurants and resorts, and retail stores STR's should be closed to operation until the State and County deem so and Covid-a9 has been eliminated or safely reduced.

Thanks Ron Mooiweer
