Affiliations with professional and/or community groups 2 Master's Degrees - Administration and Special Education Executive Director, Community Economic Development Assn. of Pollock Pines (CEDAPP) - 14+ years Member of all of the service organizations in Pollock Pines Support of our local Fire Station and EDSO			
Why do you seek appointment? My husband and I moved to Pollock Pines from Southern California in order to find a rural location with historic heritage. In the 18 years since our arrival, I have been the middle school principal, followed closely by my leadership role in the Grand Jury, including training the subsequent jury, the genesis for CEDAPP, a service organization designed to bring business to the businesses of Pollock Pines. CEDAPP has since evolved into the "go to" organization for improvements or difficulties found in the community such as ADA, criminal behaviors, homelessness, etc. I am a past member and President-elect for our Rotary Club, however my husband remains on the Rotary as its secretary. He also serves on the El Dorado County Fire Protection District Fire Board. It has been our joy to be able to give back to this community the serenity we receive from living in Nature's Wonderland and helping to preserve its heritage while at the same time helping to maintain and improve conditions that require it. I have been involved with the Design Review Committee on a few new additions to Pollock Pines and am quite friendly with all of the past and present officers. We work well as a team. I have also put the word out to the public that members are needed for our Design Review Committee.			
Additional Information I am always available to help our supervisors and department heads and have demonstrated this capacity over the years. I receive phone calls and emails from every community in EDC to help with various projects and events. As such, I believe I have a wide berth of knowledge from the county, its officials, and its businesses and residents. I am objective and trained in professional relationships that will aid in making beneficial decisions to the community, the county, and to businesses and residents, alike.			
If known, indicate the member of the Board of Supervisors who will receive a copy of this application Sue Novasel
