NUMBER 13-CDBG-8935 TO ADD NEW ELIGIBLE SUPPLEMENTAL ACTIVITIES

WHEREAS, the County of El Dorado receives Community Development Block Grant (CDBG) loan repayments from past activities which meet the federal definition of Program Income (PI) and has a balance of PI funds on hand; and

WHEREAS, as of July 1, 2014, all State CDBG Program Income Reuse Plans and Revolving Loan Funds are cancelled since the Department of Housing and Urban Development (HUD) has determined the State's Revolving Loan Accounts (RLAs) do not meet the Revolving Loan Fund (RLF) definition; and

WHEREAS, the County of El Dorado is required by federal law to spend all existing PI on hand and all future PI repayments on active CDBG grant contract activities before drawing down federal funds for reimbursement of those activity costs; and

WHEREAS, the County of El Dorado is currently under contract with the state Department of Housing and Community Development (Department) for CDBG funding on several activities (Contract); and

WHEREAS, the Department does not wish the County to disencumber grant funds under the Contract that are displaced by the PI expenditures and will allow the County to amend additional eligible CDBG activities to the Contract so the balance of grant funds can be expended within the term of the Contract; and

WHEREAS, the County has approved the required CDBG Program Guidelines for the Housing and Economic Development activities that contain guidelines for the administration of eligible activities under the CDBG Program; and

WHEREAS, the County has conducted a properly noticed public hearing on October 14, 2014, to allow the citizens of the county to speak about what eligible CDBG activities should be amended into the Contract and public discussion took place before the Board; and
