All rental payments are due and payable in advance on the 1st day of each month beginning after the execution of this Lease and during the term of this Lease.

ARTICLE IV

Ownership: This Lease constitutes a lease or bailment of the property described and is not a sale or the creation of a security interest. Lessee will not have, or at any time acquire, any right, title, or interest in the property, except the right to possession and use as provided for in this Lease. Property shall be used solely by Lessee for handling the aviation fuel supplied Lessee by Lessor. Said refueling equipment shall not be removed from the Placerville Airport location without the prior written consent of the Lessor. Lessor will at all times be the sole owner of the property.

ARTICLE V

Maintenance and Operating Expenses: Lessee shall, at Lessee's expense, maintain the property at all times in good, safe, and efficient operating condition, and to that end shall maintain equipment in accordance with the attached Exhibit "A", marked "Lessee/Lessor Responsibilities," incorporated herein and by reference made part hereof. Lessee shall not make any alterations to, additions to or removals from the property or Lessor identification and lettering thereon. In accordance with Article VII, Lessor shall have the right at any time to inspect, repair, and replace property, and, for such purpose, to enter any premises where the property is located. Lessee shall give Lessor prompt notice, prior to work being done, of any maintenance or repair which Lessee is not obligated to make hereunder, but which Lessee deems necessary.

Lessor shall, at Lessor's expense, provide major repairs and/or replacement for vehicle drive train (engine, transmission, differential), which, in Lessor's sole judgment are not necessitated by Lessee's neglect, abuse, accident or failure to perform maintenance.

All other repairs and replacement of the equipment, which are reasonably necessary to maintain the property in accordance with this Article, shall be made by and at the expense of Lessee. To the extent such loss or damage is not covered by Lessor's insurance required by Article XXI herein, Lessee shall be responsible for any loss of the equipment by theft and any loss or damage thereof by fire or explosion. If Lessee fails to perform any maintenance or repair which Lessee is obligated to perform hereunder within ten (10) days after notification and request by Lessor, Lessor may (without prejudice to its other rights on account of such breach of Lease) perform such maintenance or repair and shall be reimbursed by Lessee on demand for all costs incurred by Lessor related to the necessary maintenance or repair including any additional operating expenses resulting therefrom.

Lessee shall not add to or remove from the refueling equipment leased hereunder any equipment or appurtenances without the prior written consent of the Lessor. Unless otherwise state, all installations, replacements, and substitutions of parts or accessories with respect to any of the property will constitute accession and will become part of the property and will owned by Lessor.

ARTICLE VI

Use of Property: Lessee will be entitled to the absolute right of the use, operation, possession, and control of the lease property during the term of this Lease, provided Lessee is not in default of any provision of this Lease or subject to any security interest Lessor may have given or may give to any third party during the term of this Lease. Lessee will employ and have absolute control, supervision, and responsibility over any operators or users of the property.

Lessee will use the property in a careful and proper manner and will not permit the property to be operated or used in violation of any applicable federal, state, or local statute, ordinance, rule, or regulation relating to the possession, use, or maintenance of the property.

ARTICLE VII

Lessor's Rights of Inspection: Lessor, at its discretion during Lessee's regular business hours and with three (3) days prior notice to Lessee, will have the right to enter, for the purpose of inspection, the premises where the property is located or used. If, in the sole opinion of Lessor, any property covered by this Lease is not being properly maintained, Lessor will have the right, but not the obligation, to have it repaired or maintained at a service facility at the expense of Lessee.

ARTICLE VIII

Other Charges: Lessee will be liable for any fees for licenses, registrations, permits, and other certificates that may be required for the lawful operation of the property. All certificates of title will initially be applied for the State of California and will be issued and maintained in the name of Lessor, as owner. These will be delivered to Lessor, and Lessee will pay all expenses in relation to them.

Lessee is responsible for the timely payment of all taxes and assessments on or applicable to the equipment leased under this lease.

ARTICLE XIX

Accident, Loss of Property, or Damage to Property: If any property covered by this Lease is damaged, lost, stolen, or destroyed, or if any person is injured or dies, or if any property is damaged as a result of its use, maintenance or possession, Lessee will promptly notify Lessor of the occurrence, and will file all necessary accident reports, including those required by law and those required by insurers of the property.

Lessee, its employees, and agents will cooperate fully with Lessor and all insurers providing the insurance under this Lease in the investigation and defense of any claims. Lessee will promptly deliver to Lessor any documents served on or delivered to Lessee, its employees, or its agents in connection with any claim or proceeding at law or in equity begun or threatened against Lessee, Lessor, or both, concerning the leased property.

ARTICLE X

Assignment: Lessee will not assign this Lease or any property described in it, or assign any interest in the Lease or property, or sublet any of the leased property without the express written consent of the Lessor.

ARTICLE XI

Actions Constituting Default: Lessor, at its option, may by written notice to Lessee declare Lessee in default on the occurrence of any of the following:

- a. Failure by Lessee to make payments or perform any of its obligations under this lease;
- b. Institution by or against Lessee of any proceeding in bankruptcy or insolvency, or the reorganization of Lessee under any law, or the appointment of a receiver or trustee for the goods and chattels of Lessee, or any assignment by Lessee for the benefit of creditors;
- c. Involuntary transfer of Lessee's interest in this Lease by operation of law.

ARTICLE XII

Rights, Remedies, and Obligations on Default: After the default of Lessee and on notice from Lessor that Lessee is in default, Lessor will have the following options:

- a. To terminate the Lease and Lessee's rights under the Lease;
- b. To declare any monthly rent installment that was due but yet unpaid, required of Lessee under the Lease to be payable;
- c. To repossess the property without legal process free of all rights of Lessee to the property. Lessee authorizes Lessor or Lessor's agent to enter on any premises where the property is located and repossess and remove it. Lessee specifically waives any right of action Lessee might otherwise have arising out of the entry and repossession, and releases Lessor of any claim for trespass or damage caused by reason of entry, repossession, or removal;
- d. Any other remedy allowed or provided by law.

No failure on the part of Lessor to exercise any remedy or right and no delay in the exercise of any remedy or right will operate as a waiver. No single or partial exercise by Lessor or any remedy or right will preclude any other of further exercise of that remedy or right or the exercise of any other rights or remedies. No forbearance by Lessor to exercise any rights or privileges under this Lease will be construed as a waiver, but all rights and privileges will continue in effect as if no forbearance had occurred. Acceptance by Lessor of rent or other payments made by Lessee after default will not be deemed as a waiver of Lessor's rights and remedies arising from Lessee's default.

ARTICLE XII

Return of Property on Expiration: Upon the expiration date or earlier termination of this Lease with respect to any or all of the property, Lessee will return the property to Lessor, together with all accessories, free from all damage and in the same condition and appearance as when received by Lessee, allowing for ordinary wear and tear in accordance with Exhibit "B" marked "Certificate of Acceptance and Inspection," incorporated herein and by reference made a part hereof. If Lessee fails or refuses to return the equipment to Lessor, Lessor will have the right to take possession of the property and for that purpose to enter any premises where the property is located without being liable in any suit, defense, or other proceedings to Lessee.

ARTICLE XIV

Encumbrances or Liens; Notice: Lessee will not pledge, encumber, create a security interest in, or permit or allow any lien or encumbrance of any kind whatsoever to become effective on any leased property. If any of those events take place, Lessee will be deemed to be in default at the option of Lessor. Lessee will promptly notify Lessor of any liens or other encumbrances of which Lessee has knowledge. Lessee will promptly pay or satisfy any obligation from which any lien or encumbrance arises, and will otherwise keep the property and all title and interest free of any Liens and encumbrances. Lessee will deliver to Lessor appropriate satisfactions, waivers, or evidence of payment.

ARTICLE XV

It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. - L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Lessor's obligations shall not be limited by the foregoing insurance requirements and shall survive expiration of this Agreement.
