

# Healthy Communities “Asks”

Patricia Charles–Heathers, Ph.D., MPA  
Project Lead  
July 17, 2018

# Background

- ▶ On March 20, 2018, Healthy Communities Project Team members provided the Board of Supervisors with an update on activities in support of the Healthy Communities Strategic Plan Goal.
- ▶ Today we return for direction on the “Asks” discussed in the March 20<sup>th</sup> update.

# Goal #1 Project 1.3

Protect against adverse outcomes among children and youth, adults and seniors.

## “Seniors”

1. *Change “Seniors” to “Older Adults” in the Strategic Plan and as standard practice when addressing and referencing this segment of the population.*

# Goal #3 Objective 3.1.4

Produce a sustainability plan identifying additional resources and collaboration to sustain community hubs and mobile outreach to socially isolated areas.

- 1. Address turnover of Public Health staff in the Community Hubs model by converting the Limited Term positions to Permanent positions.*

# Goal #4 Objective 4.1.1

Recommend a process that will integrate public health practice more effectively into the land use planning process.

- 1. Develop a draft “Health in All Policies” Board Policy to be presented and reviewed by the Board of Supervisors.*

# Goal #4 Objective 4.1.2

Assess and evaluate best practices to prevent tobacco, alcohol and other drug use, and make policy recommendations to the Board for consideration.

- 1. Approve in concept amending Ordinance No. 4190 to prohibit smoking and tobacco use including electronic smoking devices in all outdoor areas owned or leased by the County of El Dorado, including parking lots, walkways and the grounds of all buildings owned or leased by the County to be tobacco-free.*
- 2. Approve the Tobacco Use Prevention Program (TUPP) working with County Counsel to draft an El Dorado County specific Tobacco Retail License to bring back to the Board at a later date for review.*

# Goal #4 Objective 4.1.4a

Establish a program to reduce, recover, and recycle food loss and waste.

- 1. Support the implementation of a pilot program (Waste Not El Dorado) by the Environmental Management Department and Health and Human Services Agency, to eliminate food insecurity by reducing, recovering and recycling food loss and waste.*

# Goal #4 Objective 4.1.4b

Assess and evaluate best practices and policies relative to healthy food and beverage offerings in El Dorado County buildings.

- 1. Support a Request for Proposal to solicit vendors with healthy options.*
- 2. Support a minimum of 50% healthy snack options in the new contract(s).*
- 3. Support 100% healthy snack options for all contracts negotiated after 2019.*

# Goal #5

Strengthen collaboration with community stakeholders to ensure the development and delivery of comprehensive and integrated services.

- 1. Continue to support the Public Health Accreditation efforts now and in the future.*
