<b>AGREEMENT DATES:</b>	<b>July 1, 2024 - June 30, 2025</b>

Pursuant to Cooperative Service Agreement No. 23-7306-6574-RA between Cooperator and the United States Department of Agriculture, Animal and Plant Health Inspection Service, Wildlife Services (APHIS-WS), this Work and Financial Plan defines the objectives, plan of action, resources, and budget for cooperative wildlife services program.

#### **OBJECTIVES/GOALS**

APHIS-WS objective is to provide professional wildlife damage management assistance to reduce or manage damage caused by predatory animals and other nuisance wildlife causing damage to protect property and human health and safety.

Specific goals are:

1. To administer an Integrated Wildlife Damage Management (IWDMM) program in El Dorado County.
2. To assist business/property owners, private citizens, and governmental agencies in protecting human resources, which include, but are not limited to, residents, property, livestock, crops, and natural resources from damage caused by predators, wild and feral animals, and other nuisance wildlife.
3. To provide assistance in the form of educational information.

#### **PLAN OF ACTION**

The objectives of the wildlife damage management program will be accomplished in the following manner.

1. APHIS-WS will provide technical assistance and or direct management at times and locations for where it is determined there is a need to resolve problems caused by wildlife. Management efforts will be directed towards specific offending individuals or local groups of animals. Method selection will be based on an evaluation of selectivity, humaneness, human safety, effectiveness, legality, and practicality.  
Technical Assistance: APHIS-WS' personnel may provide verbal or written advice, recommendations, information, demonstrations, or training to use in managing wildlife damage problems. Generally, implementation of technical assistance recommendations is the responsibility of the resource/property owner. Direct Management: Direct management is usually provided when the resource/property owner's efforts have proven ineffective and or technical assistance alone is inadequate. Direct management methods/techniques may include trap equipment, shooting, and other methods as mutually agreed upon.
2. This project will be monitored by Jeffrey B. Flores, WS-California State Director, in Sacramento, California, (916) 979-2675.
3. APHIS-WS will invoice El Dorado County monthly for actual costs incurred in providing service, provided there are billable expenses posted at the time of billing for the monthly of service. The combined monthly billings for the performance period in this Work and Financial Plan will not exceed **\$84,024.21 for the period of performance (7/1/2024 - 6/30/2025)**. In some cases, the work is done during the period of performance, but expenses post outside of the agreement end date, resulting in a final invoice one month after the period of performance has ended.
4. In accordance with the Debt Collection Improvement Act (DCIA) of 1996, bills issued by APHIS-WS are due and payable within 30 days of the invoice date. The DCIA requires that all debts older than 120 days be forwarded to debt collection centers or commercial collection agencies for more aggressive action. Debtors have the option to verify, challenge and compromise claims, and have access to administrative appeals procedures which are both reasonable and protect the interests of the United States.

#### **PROCUREMENT**

Cooperator understands that additional supplies and equipment may need to be purchased under this agreement to replace consumed, damaged, or lost supplies/equipment. Any items remaining at the end of the agreement will remain in the possession of APHIS-WS.

**STIPULATIONS AND RESTRICTIONS:**

1. All operations shall have the joint concurrence of APHIS-WS and Cooperator and shall be under the direct supervision of APHIS-WS. APHIS-WS will conduct the program in accordance with its established operating policies and all applicable state and federal laws and regulations.
2. APHIS-WS will cooperate with the California Department of Fish and Wildlife, the U.S. Fish and Wildlife Service, California Department of Transportation, California Fire marshal's Office, county and local city governments, and other entities to ensure compliance with Federal, State, and local laws and regulations.
3. Wildlife Damage Management: A Work Initiation Document for Wildlife Damage Management (WS Form 12A), a Work Initiation Document for Wildlife Damage Management- Multiple Resource Owners (WS Form 12B) or a Work Initiation Document for Management of Wildlife Damage on Urban Properties (WS Form 12C) will be executed between APHIS-WS and the landowner, lessee, or administrator before any APHIS-WS work is conducted.
4. APHIS-WS SHALL PERFORM THE SERVICES UNDER THIS AGREEMENT IN ACCORDANCE WITH ITS FEDERAL AUTHORITY. APHIS-WS SHALL BE RESPONSIBLE TO THE EXTENT PERMITTED BY THE FEDERAL TORT CLAIMS ACT (28 U.S.C. 1346 (b), 2401 (b), 2671-2680), ONLY FOR THE ACTS, OMISSIONS, OR NEGLIGENCE OF ITS OWN OFFICERS, EMPLOYEES OR AGENTS.

THE COUNTY OF EL DORADO SHALL BE RESPONSIBLE TO THE EXTENT PERMITTED BY THE CALIFORNIA TORT CLAIMS ACT (Government Code §§ 810-996.6), ONLY FOR THE ACTS, OMISSIONS, OR NEGLIGENCE OF ITS OWN OFFICERS, EMPLOYEES, OR AGENTS. APHIS-WS AND ITS EMPLOYEES OR VOLUNTEERS ARE NOT CONSIDERED "OFFICERS, EMPLOYEES, OR AGENTS" OF THE STATE OF CALIFORNIA.
