The individual interviews were conducted by a youth and adult team: Carol Martin, Liz White and Sarah Walker. The interview committee would request the appointment of the recommended youth as presented in this document on Tuesday, October 13, 2009 per a Board of Supervisor’s consent agenda item.

All the new applicants showed outstanding leadership qualities, and demonstrated a broad perspective of ideas, depth of experience and an awareness of their community. Other considerations in the selection process were geographical area, age, gender, and school of attendance.
