

In Paragraph II add the following:

F. Institutional Boating Representative. There shall be an institutional boating representative who shall belong to one of the institutional organizations, such as church, conservation nonprofit, military, or underserved community charities, for example. The representative will represent all these organizations. There will be a six month attempt to find a representative to serve and if after that amount of time, the organizations cannot settle on a representative, the position will revert back to a member at large representative. Any time the position remains unfilled for over six months, the position will revert to a member-at- large position

G. Member(s)-at-large. There shall be one public member-at-large
