Good Morning - This memo can be attached to Legistar without the video. LeeAnne is going to include the video in her report, however the county does not have a way to store the video as an attachment in the Legistar system. Thank you.

Hi LeAnne-

Please add this video of the Hackomiller parcel to the Legistar? materials for the Commissioners to review. Let me know if there something else I need to do to make sure it can be played at the hearing. I don't see any link to the hearing or materials on line yet. I get email notices of many county department hearings and releases but apparently not Ag. Can I be added?

Thank you!
