Dear Ms. Parlin;

Our first contact was at the Kelsey Association Breakfast held the first sunday of each month.

You were connecting with locals at the breakfast prior to the election for the 4th distric seat.

I introduced myself and many were doing and have no expectations of you remembering me personally.

I have attached a photo ofthe group from the breakfast meeting In the past , I was the president of the association for many years

as welll as Vice president and once treasure. I studied the coarse given by the then county council on Roberts rules or order.

I hope that you will speak on the behalf of the Kelsey Distric Cemetery at the the time of approving my seat on that board.

ThaNK you.
