Dear Ms. Wilber:

The El Dorado Hills Area Planning Advisory Committee met February 13, 2008 and discussed the Oak Woodland Management Plan (Final) and Negative Declaration. It is the decision of APAC that a mitigated negative declaration should be prepared in particular in consideration of the impact on the El Dorado Hills Area.

If you have any questions or comments regarding this letter please contact Kathy Prevost 530 672-6836.

Sincerely,

Kathy Prevost
