ARTICLE VI

Consultant to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship

between County and NAPA, and NAPA may perform similar work or services for others. However, NAPA shall not enter into any agreement with any other party, or provide any information in any manner to any other party, that would conflict with NAPA's responsibilities or hinder NAPA's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE IX

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. NAPA is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. NAPA exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by NAPA. Those persons will be entirely and exclusively under the direction, supervision, and control of NAPA. For the avoidance of any doubt, the parties agree that the term "subcontractors" as used herein shall specifically exclude all third party suppliers and manufacturers of the products sold hereunder as well as all third party delivery service providers (i.e. UPS and FedEx).

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which NAPA performs the work or services for accomplishing the results. NAPA understands and agrees that NAPA lacks the authority to bind County or incur any obligations on behalf of County.

NAPA, including any subcontractor or employees of NAPA, shall not receive, nor be eligible for, any benefits County provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. NAPA shall not receive, nor be eligible for, workers' compensation, including medical and indemnity payments. County is not responsible for withholding, and shall not withhold, Federal Income Contribution Act amounts or taxes of any kind from any payments which it owes NAPA. NAPA shall not be subject to the work schedules or vacation periods that apply to County employees.

NAPA shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that NAPA provides for its employees.

NAPA acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and shall not make any agreements or representations on the County's behalf.

ARTICLE XVI

Default, Termination, and Cancellation:

A. **Termination by Default:** If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:

1. The alleged default and the applicable Agreement provision.
2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

1. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and may pursue all remedies available to it at law or in equity, including without limitation, remedies at law in a court of competent jurisdiction.
2. County shall pay NAPA the sum due to NAPA under this Agreement prior to termination.
3. County may require NAPA to transfer title and deliver to County any completed work under the Agreement that is fully paid for by County.

The following shall be events of default under this Agreement:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
2. A representation or warranty made by NAPA in this Agreement proves to have been false or misleading in any respect.
3. NAPA fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.

4. A violation of ARTICLE XXV, Conflict of Interest.
- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of NAPA.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event NAPA ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. Likewise, NAPA may terminate this Agreement at any time for its convenience by giving County at least sixty (60) days prior written notice of such termination. If such termination is effected by either party, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to or delivered by NAPA, and for any other services that County agrees, in writing, to be necessary for contract resolution as well as all other undisputed amounts due and owing to NAPA at the time of termination. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, NAPA shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

ARTICLE XXI

Indemnity: To the fullest extent permitted by law, NAPA shall defend at its own expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including reasonable attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the acts or omissions of NAPA or its officers, agents, or employees in rendering the services, operations, or performance hereunder, except for liability, claims, suits, losses, damages or expenses arising from the negligence or willful acts of the County, its officers and employees, or as expressly prescribed by statute. This duty of NAPA to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XXV

Conflict of Interest: The parties to this Agreement have read and are aware of the provisions of Government Code Section 1090 et seq. and the Political Reform Act of 1974 (Section 87100 et seq.), relating to conflict of interest of public officers and employees. Individuals who are working for NAPA and performing work for County and who are considered to be NAPA within the meaning of Title 2,

California Code of Regulations, Section 18700.3, as it now reads or may thereafter be amended, are required to file a statement of economic interest in accordance with County's Conflict of Interest Code. County's Contract Administrator shall at the time this Agreement is executed make an initial determination whether or not the individuals who will provide services or perform work pursuant to this Agreement are NAPAs within the meaning of the Political Reform Act and County's Conflict of Interest Code. Statements of economic interests are public records subject to disclosure under the California Public Records Act.

NAPA covenants that during the term of this Agreement neither it, or any officer or employee of NAPA, has or shall acquire any interest, directly or indirectly, in any of the following:

1. Any officer or employee of County that are involved in this Agreement.

If NAPA becomes aware of a conflict of interest related to this Agreement, NAPA shall promptly notify County of the existence of that conflict, and County may, in its sole discretion, immediately terminate this Agreement by giving written notice of termination specified in ARTICLE XVI, Default, Termination, or Cancellation.

VI. The following articles are added to the Agreement:

ARTICLE XXXIX

Force Majeure: Neither party will be liable for any delay, failure to perform, or omission under this Agreement that is due to any cause that it is beyond its control, not due to its own negligence, and cannot be overcome by the exercise of due diligence. In that event, the affected party will:

1. Promptly give written notice to the other of the fact that it is unable to so perform and the cause(s) that is beyond its control.
2. Once the cause(s) has ceased, provide written notice to the other party and immediately resume its performance under this Agreement.

For purposes of this Article, "cause that is beyond its control" includes labor disturbances, riots, fires, earthquakes, floods, storms, lightning, epidemics, war, disorders, hostilities, expropriation or confiscation of properties, failure of and delays by carriers, interference by civil or military authorities, whether legal or de facto, and whether purporting to act under some constitution, decree, or law, or otherwise, or acts of God.

ARTICLE XL

Waiver: No failure on the part of the parties to exercise any rights under this Agreement, and no course of dealing with respect to any right hereunder, shall operate as a waiver of that right, nor shall any single or partial exercise of any right preclude the exercise of any other right. The remedies herein provided are cumulative and are not exclusive of any other remedies provided by law.

ARTICLE XLI

Electronic Signatures: Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Agreement, are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic Signature means any electronic visual symbol or signature attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or email electronic signatures, pursuant to the California Uniform Electronic Transactions Act (Cal. Civ. Code §§ 1633.1 to 1633.17) as amended from time to time.

Except as herein amended, all other parts and sections of Agreement for Services #2801 shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this Second Amendment to Agreement for Services #2801 on the dates indicated below.

NAPA shall provide a list of on-call personnel including telephone numbers, who shall be responsible to respond to emergency requests.

- b. NAPA shall not allow the On-Site Store to become littered with trash, rubbish, or waste material and shall maintain the On-Site Store in a neat and orderly condition throughout the term of this Agreement. At the end of each work day, NAPA shall clean up all debris and waste materials generated by the work and shall properly dispose of all trash, rubbish, and waste materials.
- c. NAPA shall manage the Remote-Site Store and provide the Inventory to the Remote-Site Store on an as-needed basis each week.
- d. County hereby assumes and shall bear the entire risk of loss and damage to the Inventory located in the On-Site Store and Remote-Site Store, except for loss or damage arising out of the acts, errors or omissions of NAPA. - h. Inventory parts owned by County and those owned by NAPA shall be maintained and managed by NAPA in the TAMS system and have ownership designation coding assigned to each part. As County-owned parts and supplies are distributed and depleted by NAPA, NAPA shall replenish and retain ownership of replenished inventory parts and supplies until the point of sale is made to County via County work order.
- i. NAPA shall allow County the right to determine specialty parts that are required to be maintained in active Inventory for equipment that may be required when emergency operations arise.

6. Parts/Supplies Warranties:

All Products provided pursuant to this Agreement are subject to the terms of written warranties provided by the manufacturer of each Product, and NAPA shall be responsible to provide reasonable efforts in processing all warranty claims for defective Products against the manufacturer. The manufacturer's warranty will be the sole and exclusive remedy of the County in connection with any claims concerning the Products supplied to County pursuant to this Agreement. 7. Physical Inventory:

A full and comprehensive physical counting of County's Inventory shall be conducted by NAPA and County prior to NAPA taking over the operations and control of County's Inventory at a time mutually agreed upon by NAPA and County. NAPA shall work with County in identifying any corrections or discrepancies that may be found and reconcile such discrepancies in order to provide NAPA with a verified correct Inventory for initial operations by NAPA. The final Inventory results from this physical count shall be mutually agreed to by both NAPA and County as the absolute correct count for operations to begin with in NAPA's TAMS Inventory system.

NAPA shall obtain written concurrence from County regarding Inventory counts as new Inventory is stocked by NAPA. In addition, NAPA may periodically perform a physical counting of their Inventory at the On-Site and Remote-Site Stores. NAPA shall confer with County regarding any missing Inventory. If County agrees the Inventory is missing, NAPA shall provide County a form detailing the Inventory and County's Contract Administrator, or designee, will sign the form which shall be provided to County as backup documentation for the charges appearing on NAPA's invoice. County will perform a full and comprehensive physical counting

of County's remaining Inventory on an annual basis and will require access to any County owned Inventory located in the On-Site Store and Remote-Site Store. County will provide written notice to NAPA (may consist of an email) of the scheduled Inventory count. Such notice must be provided at least five (5) business days prior to the date of the counting.

- b. County will utilize NAPA as its primary supplier of the Inventory under this Agreement. County reserves the right to purchase any item outside of this Agreement where it is determined to be more economical or timely, so long as such purchase does not result in NAPA no longer being County's primary supplier, in which case NAPA may terminate this agreement in accordance with ARTICLE XVI, Default, Termination, and Cancellation. If NAPA is unable to provide a product in the time needed by County and the product is not available at the closest NAPA store location identified in section 1(e) above, then County is authorized to purchase the item outside of the Agreement and the purchase will not be considered in determining whether NAPA is the County's primary supplier.
- c. County will provide and maintain a security system for the On-Site Store and Remote-Site Store. Access to the secured areas shall only be allowed by NAPA and County staff who are approved by NAPA. Any other County staff, outside vendors, NAPA staff, or agents shall not be permitted to enter the secured area(s) unless accompanied by NAPA or authorized representative.

The On-Site Store and Remote-Site Store access is by a key-fob electronic door locking system which has reporting capability for date/time and identity of entry, as well as two (2) cameras in the On-Site Store and one (1) camera in the Remote-Site Store to record items taken from the warehouse.

Inventory taken from the On-Site Store and Remote-Site Store after NAPA hours by County are to be recorded on a log and provided to NAPA (emailed from Tahoe) on the next business day to confirm and rectify in the systems to work orders. County Shop Supervisors will be responsible to review all work orders' process and completion to verify all Inventory charged to the work order are correct and installed, or confirmed returned, as reported.

- d. County will provide information regarding changes in the fleet and equipment Inventory as soon as possible. Fleet changes include, but are not limited to, the removal of types of vehicles/equipment and the addition of new types and models of vehicles and equipment which the Inventory will support.
- e. County will not intermingle any non-inventory part(s) owned by County which are not listed on the Inventory managed by NAPA. Any such non-- inventory parts are to be stored in a separate area outside of the parts room managed by NAPA. NAPA shall not be responsible for any parts or supplies not listed in the TAMS Inventory system.
- f. County will, at all times during the term of this Agreement, at County's sole expense, maintain in good condition and repair (so as to prevent any damage or injury to NAPA's employees, the Inventory, or other personal property located in the On-Site Store and Remote-Site Store) the roof, exterior walls, foundation, and structural portions of the On-Site Store and Remote-Site Store and all portions of the electrical and plumbing systems lying outside of the On-Site Store and Remote-Site Store but serving the On-Site Store and Remote-Site Store.
