State of California - Department of Fish and Wildlife
2018 ENVIRONMENTAL FILING FEE CASH RECEIPT
 DFW 753.5a (Rev. 01/03/18) Previously DFG 753.5a

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) (Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.

Mail to:

California Department of Fish and Wildlife
 Accounting Services Branch
 1416 9th Street, 12th Floor, Suite 1215
 Sacramento, California 95814

Placerville, CA 95667

Commercial Cannabis Ballot Measure 1 (Resolution 140-2018)

El Dorado County

Project Title

Project Applicant

County-wide

Project Location – Specific

(El Dorado County)

Create a general commercial cannabis tax, with tax rate ranges that allows for the Board to set the tax rates for different commercial uses (e.g. outdoor cultivation, indoor cultivation, dispensary/retail sales, etc.) and a discretionary permitting process, with public feedback and an extensive enforcement program with a fine schedule for illegal commercial cannabis activity or violations of the County regulations.

Exempt Status:

- CEQA Statute Section 21080.
- Categorical Exemption. State type and section number:
- Statutory Exemption. State code number:

WILLIAM SCHULTZ, Recorder/Clerk

By *Mehmet Ruyhet*

Reasons why project is exempt:

The tax ordinance is not a "project" and the permitting ordinance is statutorily exempt as stated in the resolution: 1) That the approval of this Resolution and the submittal of the measure referenced in Section 1 hereof to a vote of the people is not a project under the California Environmental Quality Act because it does not have the potential to result in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment (14 Cal. Code of Regs. Section 15378(a)) and because it is the creation of governmental funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment, thus is expressly excluded from the definition of a "project" (14 Code of Cal. Regs. Section 15378(b)(4)). Moreover, pursuant to Section 26055 of the Business and Professions Code, the California Environmental Quality Act does not apply to the adoption of an ordinance that requires discretionary review and approval of permits to engage in commercial cannabis activities.
