- (3) If neither termination nor cures are feasible, County shall report the violation to the Secretary of Health and Human Services or other appropriate officials.

C. Effect of Termination:

- (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, Contractor shall return or destroy all PHI received from County, created or received by Contractor on behalf of County. This provision shall apply to PHI that is in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of the PHI.
- (2) In the event that Contractor determines that returning or destroying the PHI is infeasible, Contractor shall provide to County notification of the conditions that make return or destruction infeasible. Upon County's concurrence that return or destruction of PHI is infeasible, Contractor shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Contractor maintains such PHI.

7. HIPAA Business Associate Indemnity – Contractor shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Business Associate Agreement. limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve Contractor from indemnifying the County to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

8. Amendment – The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
