RE: Sheriff's Office Review of the application of the Black Sheep Casino card room license

Dear El Dorado County Board of Supervisors,

Randy Yapple, the proposed new owner of the Black Sheep Casino located at 3181 Cameron Park Dr, Suite 107/108, Cameron Park CA 95667, Assessor's Parcel Number 083-132-02 has applied for a cardroom license.

Per ordinance 9.45 Cardrooms, the Sheriff shall submit to the Board of Supervisors a written coordinated report and recommendation as to whether the license should be approved or denied.

Review of License application, report to the Board.

- A. The Cameron Park Fire Department Battalion Chief/Fire Marshal inspected the cardroom at 3181 Cameron Park Drive, Suites 107/108 and has found that the establishment is abiding by applicable fire and safety laws. Please see attached letter from Battalion Chief of Cameron Park Fire Department Michael Smith.
- B. Thomas Burnette, El Dorado County Development Services Deputy Director, Chief Building Official, has attested to having no concerns with the suitability of the proposed premises for the intended use under applicable building laws for a cardroom at 3181 Cameron Park Drive, Assessor's Parcel Number 083-132-02. Please see attached email dated June 16, 2016.
- C. El Dorado County Development Services Agency Director Roger Trout has reviewed the proposed application at 3181 Cameron Park Drive; Assessor's Parcel Number 083-132-02 and believes that the card room is consistent with the Community Commercial Zone District and the General Plan's Commercial land use designation. Please see attached email dated June 16, 2016.
- D. Not applicable.
- E. The California Department of Justice Bureau of Gambling Control requires that a State gambling license is approved before a County card room license can be approved (Business and Professions Code 19850). Mr. Yapple has successfully completed the application process and has been approved for a State Gambling License through the CA Bureau of Gambling Control.

The Sheriff has conducted a review of the identity, character and background of all persons named in the application, the suitability of the plan to provide for safety and security of patrons in and around the card room, the suitability of the proposed operating hours and any law enforcement problems which the issuance of the license might tend to create.

Black Sheep Casino has operated with a valid cardroom license at this location since August of 1998. Nole Paulson, the current owner of the cardroom, is selling the business to Randy Yaple.

The facility is reported to remain exactly as is, three card tables, at the same location. The only change taking place is regarding ownership. The proposed new owner, will be the sole employee of the cardroom.

Randy Yaple's cardroom license application for the Black Sheep Casino has been reviewed by Sheriff John D'Agostini and is being recommended for approval. Sheriff D'Agostini has determined the operation of the proposed cardroom will not substantially aggravate crime or make law enforcement unduly difficult. This cardroom will not be detrimental to the public peace, health, safety or welfare.

Sincerely,

JOHN D'AGOSTINI
