CASE NARRATIVE

Synopsis:

TWO MALE SUBJECTS FORCED ENTRY INTO THE VICTIM'S PROPERTY. ONCE INSIDE, THE SUSPECTS STOLE SEVERAL ITEMS. THE VICTIM SUSTAINED A FINANCIAL LOSS OF APPROXIMATELY \$4,700.00. FORWARD THIS REPORT TO DETECTIVES FOR REVIEW AND DISTRICT ATTORNEY FOR REVIEW AND PROSECUTION.

Details:

On 03/04/19, at approximately 1016 hours, I (Deputy D. Gutsu) was dispatched to contact [REDACTED] at "Pollock Pines Community Center" located at 2675 Sanders Drive in Pollock Pines regarding a burglary report. Upon arrival, I contacted Sharon and she told me the following in summary:

[REDACTED] told me that on 03/04/19, at approximately 1000 hours, she arrived at the "Pollock Pines Community Center." All of the doors and windows appeared to be secured. When [REDACTED] entered the office she observed papers scattered all over the floor and several drawers were pulled out. [REDACTED] believed that someone burglarized the business and contacted EDSO for assistance.
End of statement.

I examined all of the doors and noticed someone possibly used a flat screwdriver to pry open the main door into the kitchen area. There was a pry mark in the area of deadbolt. The suspect(s) then stole a lap-top computer from the cash register which was located in the kitchen area. [REDACTED] did not have make, model or serial number for the stolen lap-top. Nothing else appeared to be disturbed in the kitchen.

The suspect(s) then entered a storage room located on the west side of the building. Once in the storage room, the suspect(s) attempted to enter a closet, but were not able to. The suspect(s) just damaged the closet door. On the floor near a refrigerator, I observed a glass bottle containing ¼ of "Apple Cider." Per [REDACTED] the bottle was previously located in the refrigerator. [REDACTED] believed that the suspect(s) took the bottle out of refrigerator and had a drink out of it. Nothing else appeared to be disturbed in the storage room. [REDACTED]

I examined the main door leading into the office room. The handle was lying near the door. The wooden frame of the door was cracked and a piece of wooden frame was broken off. As I entered the office, I noticed that several metal cabinets were on the east side of the office. Two top cabinets were forced open and were bent. Directly next to the main office door I observed an office desk with drawers pulled out. Several pieces of documents were scattered on the floor. [REDACTED]

I then asked [REDACTED] to conduct an inventory of the business and provide me with a list of the stolen items. [REDACTED] provided me with a list of the following items: A white "HP" CPU tower with an approximate cost of \$800.00. One standard metric wrench set with an approximate cost of \$120.00. One five piece, 19.2 volt, "Craftsman" drill set with two batteries. The approximate cost for the above set was \$500.00. One 18" ridged pipe wrench with an approximate cost of \$50.00. One "Milwaukee" drill bit set with an approximate value of \$40.00. One driver set with an approximate value of \$40.00. Two LED flashlights with an approximate value of \$60.00 were stolen. One magnetic screwdriver set with an approximate cost of \$25.00 was stolen. One electric open sign with an approximate cost of \$100.00 and cash register with an approximate cost of \$300.00 were stolen.
End of statement.

Per [REDACTED] some of the items had the "Pollock Pines Community Center" logo on them. Some of the power tools contained the maintenance employee initials. [REDACTED] advised me that she would conduct a complete inventory and provide me with a list if she finds any additional items missing.

I then examined the outside of the business. I noticed that the suspect(s) broke off a lock of a wooden shed. The wooden shed contained some chairs and tables. The suspect(s) did not take anything out of the shed. The suspect(s) also forced entry into "See's" Candy trailer (A white trailer CA [REDACTED]) which was parked in front of the business. The suspect(s) broke a glass in the back of the trailer. Once inside the trailer, the suspect(s) rummaged through the belongings and stole approximately \$100.00 worth of "See's Candy" gift cards. Per [REDACTED] it would cost her approximately \$250.00 to replace the stolen gift cards and to fix the broken window.

Per [REDACTED] the following items were damaged: Damage to CPU "Dell tower" \$600.00, office door lock \$500.00, Double French door, \$500.00, Security System \$300.00, Lock Box \$60.00, Storage Shed \$15.00, and a Wooden locking desk \$200.00. The total amount for the stolen and damage property was \$4,700.00
