List all County boards, commissions or committees to which you are/were appointed. Please include dates of service. N/A-None			
Summary of qualifications I have been a commercial real estate broker for the past 18 years and have worked primarily in El Dorado County. I have come to meet and established great relationships with many business owners, political leaders, and El Dorado County staff associated with the Planning Department, Economic Development Department, and the building Department to name a few. I have been fortunate enough to be part of the Advisory Committee for Folsom Lake College, Placerville Campus. Worked with the Dean and assisted him and his team to develop a program to help entice high school graduates to continue their education after high school at Folsom Lake College. I served on that board for a little over a year. I have been part of the Ponderosa High School Jr Bruin football program as a head coach for 7 years. I was also part of Ponderosa Little League as a coach for nearly 5 years. as a baseball coach.

Why do you seek appointment? I have coached or visited with my family all of the parks in my district as well as other districts and know how important it is not only to our kids but to our community as a whole. I have worked with County Supervisors as well as the Economic Development Department in working with developers on proposed projects in El Dorado County and know how to find middle ground and overcome objections for all sides to make a proposed project a reality. Lastly, I have lived in this district for 25 years and call this home. I want other current residents and future residents to find this district along with El Dorado County a community for families and individuals can proudly call their home, a place to play, and a place to enjoy with others.			
Additional Information (no value entered)			
If known, indicate the member of the Board of Supervisors who will receive a copy of this application Shiva Frentzen
