**RE: Public Notice - Legal Ad (102314 South Shingle Springs Five-Yr Cell Review MD Ad)**

Requested Date of Publication: 10/08/14

Dear Char,

As we just discussed on the phone, we have discovered that the referenced notice did not print in our paper on 10/08/14. You did attempt to get this Notice published, per your email dated 10/02/14. After sending my email receipt of your initial request, I must have mis-filed it, an error on my part that prevented publication.

I also want to confirm that you determined it is too late to publish this Notice in an upcoming issue.

I apologize for any trouble or inconvenience that this error may have caused you, your agency and the County.

Sincerely,

/s/ Kirsten Mattos
