

# **NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION**

This notice is hereby given that the County of El Dorado, State of California intends to adopt a Mitigated Negative Declaration for the project described below.

**TITLE:** Durock Road/Business Center Drive Intersection Improvement Project

**IDENTIFICATION NUMBER:** 73354

**LOCATION:** The Durock Road/Business Drive Intersection Improvement project area is located at the intersection of Durock Road and Business Drive in the Cameron Park/Shingle Springs area. Business Drive provides one of the main entrances to the Barnett Business Park located south of Durock Road. (Section 11, T9N, R9E, Mount Diablo Meridian (MDM)).

**APN:** Not applicable

**GENERAL DESCRIPTION:** The proposed project would involve adding a three-way traffic signal to the intersection of Durock Road/Business Drive, widening and expanding the existing right of way on Durock to accommodate turn lanes, adding Class II bike lanes on both sides of Durock Road, and making ancillary improvements to the intersection of Durock Road and Via del Gatos (replacement of an existing culvert under Durock Road at Via del Gatos, a new outfall facility, and new drainage improvements on Business Drive). The improvements on Durock Rd include adjusting the horizontal and vertical grades of the roadway to improve the sight distance on the existing curves. This work includes existing structural section removal and replacement. Additionally, the El Dorado Irrigation District (EID) may construct their Motherlode Force Sewer Replacement Project concurrently with this project to limit construction impacts on the area. EID's work is all done within the roadway, within the County's right of way, and has already been cleared environmentally (April 2005 and SCH#200008204). Construction for the road improvements may include a one way detour route during limited portions of the construction period. (See Draft MND for a more detailed project description).

## **REVIEW:**

The review period for the Mitigated Negative Declaration begins on **April 5, 2007** and will continue until **May 07, 2007**. The Mitigated Negative Declaration may be reviewed at the El Dorado County Department of Transportation, 2850 Fairlane Court, Placerville, California 95667; Telephone (530) 621-5900. The document will also be posted on the DOT website, at <http://www.co.el-dorado.ca.us/DOT/index.html>.

Comments during the review period regarding the Mitigated Negative Declaration can be sent to:

Janet Postlewait, Principal Planner  
El Dorado County Department of Transportation  
2850 Fairlane Court  
Placerville, California 95667 or

Comments may also be submitted electronically to [jpostlewait@co.el-dorado.ca.us](mailto:jpostlewait@co.el-dorado.ca.us). Failure to comment in writing will not preclude your right to testify at any future public hearing for the proposed project. The anticipated hearing date before the Board of Supervisors may be June 05, 2007.
