Supervisor Helen Baumann, District II
El Dorado County Board of Supervisors
330 Fair Lane
Placerville CA 95667

Dear Supervisor Baumann:

It has come to our attention that there is consideration of moving the Western El Dorado County Materials Recovery Facility (MRF) to a site on Industrial Drive.

On behalf of the Board of Trustees, I wish to express their concern regarding traffic and circulation. Missouri Flat Road is already heavily impacted by traffic. The addition of the vehicles for a recovery facility increases this problem. As you are aware, Missouri Flat Road narrows beyond Wal-Mart which creates a difficult situation for the transportation of children. We would ask that you carefully consider the impact to the traffic circulation that would be created by this move.

Sincerely,

Shanda G. Hahn
Superintendent
