RE: CAO Notes

1. Recorder-Clerk Bill Schultz reports that the 2012 year-end recording totals for the County were 69,416, up 6,436 recordings from 2011( 62,980). Mr. Schultz is looking forward to a great 2013, which will see the implementation of true "**Electronic Recording**" to our County.
2. The economic development staff and the parks and trails staff have moved into the office space vacated by the Revenue Recovery office, which has moved with Child Support Services to Ponderosa Road in Shingle Springs. We hope that this move will provide easier public access to economic development and parks resources.
