WHEREAS, County has determined that the provision of such services provided by Contractor are in the public's best interest and that there are specialty skills, qualifications, and equipment not expressly identified in County classifications involved in the performance of the work in accordance with El Dorado County Ordinance Code, Chapter 3.13.030(b), El Dorado County Charter, section 210(b)(6), and/or Government Code section 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Contractor shall furnish, at Contractor's own cost and expense, all personnel, subcontractors, parts, supplies, services, tools, vehicles, and equipment or any other materials, necessary to perform the services and tasks required under this Agreement, including those services and tasks that are identified in the Scope of Work, and those services and tasks that are reasonably necessary for the completion of the work identified in the Scope of Work. As-needed maintenance, installation, and urgent or immediate repair services shall include, at a minimum, maintenance, installation, and repair of access control equipment necessary due to damage, failure, or use beyond normal wear and tear.

Service locations shall include, at a minimum, those facilities as identified in Exhibit A, marked "Schedule of Service Locations, Fees, and Invoicing Information," incorporated herein and made by reference a part hereof. In the event of a change in the locations to be serviced in Exhibit A, County's Contract Administrator, or designee, will provide Contractor with a revised list of locations. When a new location requires service under this Agreement, Contractor will provide a written quote for the new location determined by the type of system and number of devices connected to the system, for monthly monitoring fees. Upon approval by County's Contract Administrator, or designee, County's Contract Administrator, or designee, will provide Contractor with a revised list including the new location and monthly fee to service it. Each such revised list shall be attached to this Agreement as an addendum subject to the terms of this Agreement, including the compensation terms of ARTICLE III, Compensation for Services. The effective date of the changes in locations shall be indicated on each revised list.

Routine Monitoring, Maintenance, and Repair Services

Routine monitoring, maintenance, and repair services to be provided under this Agreement shall begin upon final execution of this Agreement by both parties and shall cover the period of July 1, 2025 through June 30, 2028. Contractor shall not commence work on any of the routine monitoring, maintenance, and repair services and no payment will be made for any work performed prior to final execution of this Agreement and the start date of July 1, 2025. The schedule for routine monitoring, maintenance, and repair

services shall be mutually agreed upon by County's Contract Administrator, or designee, and Contractor in advance of the services.

As-Needed Maintenance, Installation, and Urgent or Immediate Repair Services

For each as-needed, non-urgent work assignment, the specific services for each assignment shall be determined at a meeting, by email, or telephone conference between County's Contract Administrator, or designee, and Contractor. For each as-needed non-urgent work assignment, Contractor shall provide a written quote to County's Contract Administrator, or designee. Upon receipt and approval of each quote, County's Contract Administrator, or designee, will issue a separate written Work Order to Contractor for each as-needed, non-urgent work assignment identifying the specific site where the work will be performed, a description of the work or other services to be performed, a specific date by which the work shall be completed, and a not-to-exceed cost to complete the work. Contractor shall not commence work until receiving the written Work Order. With the exception of urgent and immediate Work Orders, no payment will be made for any work performed prior to the issuance of the written Work Order. No payment will be made for any work performed prior to approval and full execution of the Work Order or beyond the earlier of the expiration date of the Work Order or expiration of the underlying Agreement, and no payment will be made for amounts in excess of the not-to-exceed amount of the Work Order.

For services performed as the result of an urgent or immediate need, as determined by County's Contract Administrator, or designee, authorization to perform the required services necessary to ensure that County property is protected may occur through verbal or email communication to Contractor. Any verbal or email authorization to perform urgent or immediate services under this Agreement will be confirmed to Contractor by a written Work Order issued by County's Contract Administrator, or designee. Contractor shall be available to provide urgent or immediate services seven (7) days per week, twenty-four (24) hours per day, and shall respond to all requests for urgent or immediate services with Contractor's personnel on-site within six (6) hours from the time County's Contract Administrator, or designee, transmitted the verbal or email service request.

The period of performance for Work Orders shall be in accordance with dates specified in each Work Order. No payment will be made for any work performed before or after the period of performance in the Work Order unless County's Contract Administrator, or designee, and Contractor amend the Work Order. No Work Order will be written which exceeds the cumulative total of the not-to-exceed dollar amount of this Agreement. No Work Order will be written which extends beyond the expiration date of this Agreement.

Contractor acknowledges that the work performed must meet the approval of County, and therefore County reserves the right to monitor the work to ensure its satisfactory completion.

Contractor shall perform the services and tasks required under this Agreement in a safe, professional, skillful, and workmanlike manner. Contractor is responsible for ensuring that its employees, as well as any subcontractor if applicable, perform the services and tasks

required under this Agreement accordingly. All of the services included in the Scope of Work, or in the individual Work Orders issued pursuant to this Agreement, are the responsibility of Contractor unless specifically described as a task or item of work to be provided by County. Contractor shall be responsible for the supervision, administration, and work performed by any subcontractor for services rendered under this Agreement. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees, agents, associates, representatives, or subcontractors.

ARTICLE II

Term: This Agreement shall become effective upon final execution by both parties and shall cover the period of July 1, 2025 through June 30, 2028.

ARTICLE III

Compensation for Services: For services provided herein, including any deliverables that may be identified in the individual Work Orders issued pursuant to this Agreement, County agrees to pay Contractor upon the satisfactory completion and County's acceptance of each work assignment in arrears. Payment shall be made within forty-five (45) days following County receipt and approval of invoices detailing the services rendered.

For the purposes hereof, the billing rates shall be in accordance with Exhibit A.

Subcontractor's services and other outside services authorized herein shall be invoiced at Contractor's cost, without markup, for the services rendered. Rates and fees, included in such direct costs, will require prior authorization from County's Contract Administrator, or designee, or successor. Any invoices that include subcontractor services shall be accompanied by backup documentation to substantiate Contractors costs for the services being billed on those invoices.

The total amount of this Agreement shall not exceed \$400,000, inclusive of all Work Orders, and amended Work Orders, all work of subcontractors, and all costs, taxes, and expenses. In no event, however, will the Contract Administrator, or designee, issue a Work Order, or series of Work Orders related to the same project, for installation or repair services greater than \$75,000. It is understood and agreed that there is no guarantee, either expressed or implied that this dollar amount will be authorized under this Agreement through Work Orders.

Invoices shall follow the format specified by County and shall reference this Agreement number and the County-supplied Work Order number both on their faces. Copies of documentation attached to invoices shall reflect Contractor's charges for the specific services billed on those invoices. Contractor shall bill County for only one (1) Work Order per invoice. Invoices shall be mailed to County at the following address:

County of El Dorado
Chief Administrative Office
Facilities Division
3000 Fairlane Court, Suite One
Placerville, California 95667

or to such other location as County directs.

In the event that Contractor fails to deliver the documents or other deliverables required by the individual Work Orders issued pursuant to this Agreement, County at its sole option may delay the payment for the period of time of the delay, cease all payments until such time as the deliverables are received, or proceed as set forth herein below in ARTICLE XXVI, Default, Termination, and Cancellation, herein.

ARTICLE IV

Taxes: Contractor certifies that as of today's date, it is not in default on any unsecured property taxes or other taxes or fees owed by Contractor to County. Contractor agrees that it shall not default on any obligations to County during the term of this Agreement.

ARTICLE V

Performance Bond (Where Required): As a part of the execution of this Agreement, for any Work Order issued to Contractor where the not-to-exceed dollar amount is equal to or exceed \$25,000, Contractor shall furnish a bond of a surety company authorized to do business in the State of California, conditioned upon the faithful performance of all covenants and stipulations under this Agreement. The amount of this bond shall be one hundred percent (100%) of the total not-to-exceed amount of the Work Order and shall be executed upon the form provided by County.

ARTICLE VI

Payment Bond (Where Required): As a part of the execution of this Agreement, for any Work Order issued to Contractor where the not-to-exceed dollar amount is equal to or exceeds \$25,000, Contractor shall furnish a bond of a surety company authorized to do business in the State of California, conditioned upon the payment in full of all claims for labor and materials in accordance with the provisions of the law of the State of California. The amount of this bond shall be one hundred percent (100%) of the total not-to-exceed amount of the Work Order and shall be executed upon the form provided by County.

ARTICLE VII

Notification of Surety Company: The surety company shall familiarize itself with all of the conditions and provisions of this Agreement, and shall waive the right of special notification of any change or modifications of this Agreement or extension of time, or of decreased or increased work, or of the cancellation of this Agreement, or of any other act or acts by County or its authorized agents, under the terms of this Agreement; and failure to so notify the aforesaid surety company of changes shall in no way relieve the surety company of its obligation under this Agreement.

ARTICLE VIII

Prevailing Wage: County requires Contractor's services on public works project(s) involving local and/or state funds to which prevailing wage requirements may apply. As a consequence, Contractor shall comply with all applicable state and federal prevailing wage rates, statutes, rules, and regulations then in effect. Changes, if any, to the general prevailing wage rates will be available at the same location.

Future effective general prevailing wage rates which have been predetermined and are on file with the California Department of Industrial Relations are referenced but not printed in the general prevailing wage rates.

Contractor shall comply with all applicable wage requirements, as set forth in Labor Code sections 1770, et seq., 1773.2, 1775, 1776, 1810, and 1813. In accordance with the provisions of Labor Code section 1810, eight (8) hours of labor shall constitute a legal day's work upon all work done hereunder, and Contractor and any subcontractor authorized under this Agreement shall also conform to and be bound by the provisions of Labor Code sections 1810 through 1815.

ARTICLE IX

Apprentices: Attention is directed to Labor Code sections 1777.5, 1777.6, and 1777.7 and 8 California Code of Regulations section 200, et seq. To ensure compliance and complete understanding of the law regarding apprentices, and specifically the required ratio thereunder, each Contractor or subcontractor should, where some question exists, contact the Division of Apprenticeship Standards, 455 Golden Gate Avenue, San Francisco, CA 94102, or one of its branch offices prior to commencement of work on this Agreement. Responsibility for compliance with this Article lies with Contractor.

2. Make available for inspection or furnished upon request to a representative of County, the State Division of Labor Standards Enforcement, and the Division of Apprenticeship Standards of the State Department of Industrial Relations.
3. Make available upon request by the public for inspection or copies thereof made; provided, however, that a request by the public shall be made through either County, the State Division of Labor Standards Enforcement, or the State Division of Apprenticeship Standards. The requesting party shall, prior to being provided the records, reimburse the costs of preparation by Contractor, subcontractor, and the entity through which the request was made. The public shall not be given access to the records at the principal office of Contractor.
4. All contractors and subcontractors must furnish electronic certified payroll records directly to the Department of Industrial Relations.

Public work projects are subject to compliance, monitoring, and enforcement by the Department of Industrial Relations.

ARTICLE XIV

Records Examination and Audit Requirements: Contractor and its subcontractors, if any are authorized hereunder, shall maintain all books, documents, papers, accounting records, and other evidence pertaining to the performance of the Agreement, including but not limited to, the costs of administering the various aspects of the Agreement. In accordance with Government Code section 8546.7, all of the above-referenced parties shall make such materials available at their respective offices at all reasonable times during the Agreement period and for three (3) years from the date that final payment by County and all other pending matters are closed. Representatives of County, the California State Auditor, and any duly authorized representative of other government agencies shall have access to any books, documents, papers, and records that are pertinent to the Agreement for audit, examination, excerpts, and transactions and copies thereof shall be furnished upon request.

ARTICLE XIX

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto. There shall be no change in subcontractors, which shall be established at the issuance of individual Work Orders, without prior written approval by County's Contract Administrator, or designee.

ARTICLE XX

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and Contractor, and Contractor may perform similar work or services for others. However, Contractor shall not enter into any agreement with any other party, or provide any information in any manner to any other party, that would conflict with Contractor's responsibilities or hinder Contractor's performance of services hereunder, unless County's Contract Administrator, or designee, in writing, authorizes that agreement or sharing of information.

ARTICLE XXI

Confidentiality: Contractor and any subcontractors authorized under this Agreement shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Contractor, and all Contractor's staff, employees, and

representatives, including any subcontractors authorized herein, shall not use or disclose, directly, or indirectly at any time, any said confidential information, other than to County's Chief Administrative Office, Facilities Division or to such other person with County's consent for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE XXII

Additional Security and Confidentiality Requirements for Contractors Providing Security System Monitoring, Maintenance, and Repair Services: Contractor agrees to comply with the following security and confidentiality requirements, and shall ensure the compliance of Contractor's employees and personnel (collectively referred to as "Contractor") as follows:

- A. When performing services under this Agreement, only Contractor's authorized employees and personnel are allowed on the premises of the County facilities that are the subject of this Agreement ("Subject Facilities").
- B. When performing services under this Agreement, Contractor shall not turn on or use any County electronic devices and shall not read any computer or digital screens, County documents or written materials located in the Subject Facilities.
- C. All data, together with any knowledge otherwise acquired by Contractor during the performance of services provided pursuant to this Agreement, shall be strictly treated by Contractor as confidential information. Contractor shall not disclose or use, directly or indirectly, at any time any such confidential information.
- D. Contractor shall not remove any written materials from the Subject Facilities.
- E. Contractor shall comply with all additional security procedures applicable to the Subject Facility that are provided to Contractor by the County's designated contact, County's Contract Administrator, or designee, or other designated agent for the County.
- F. Contractor shall be bound to confidentiality for any information Contractor may become aware of during the course of performance of contracted tasks. Breaches of confidentiality by Contractor shall constitute grounds for immediate cancellation of the Agreement and may result in legal action.
- G. The provisions of this Agreement relating to Security and Confidentiality shall survive the termination of this Agreement.

ARTICLE XXIII

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County. County may, at its sole discretion, through its Contract Administrator, or designee, authorize Contractor to utilize subcontractors for

services performed in ARTICLE I, Scope of Work, for the particular tasks, work and deliverables identified therein or as identified in the individual Work Orders issued pursuant to this Agreement. Said authorization and approval shall be sought and obtained by Contractor prior to subcontractors' commencement of any work under this Agreement. Specific subcontractors shall be authorized in individual Work Orders issued pursuant to this Agreement. Contractor shall require each subcontractor, to the extent of the work to be performed by the subcontractor, to be bound to Contractor by the terms of this Agreement and to assume toward Contractor all of the obligations and responsibilities that Contractor, by this Agreement, assumes toward County.

ARTICLE XXIV

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Contractor. Those persons will be entirely and exclusively under the direction, supervision, and control of Contractor.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Contractor performs the work or services for accomplishing the results. Contractor understands and agrees that Contractor lacks the authority to bind County or incur any obligations on behalf of County.

Contractor, including any subcontractor or employees of Contractor, shall not receive, nor be eligible for, any benefits County provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. Contractor shall not receive, nor be eligible for, workers' compensation, including medical and indemnity payments. County is not responsible for withholding, and shall not withhold, Federal Income Contribution Act amounts or taxes of any kind from any payments which it owes Contractor. Contractor shall not be subject to the work schedules or vacation periods that apply to County employees.

Contractor shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that Contractor provides for its employees.

Contractor acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and shall not make any agreements or representations on the County's behalf.

ARTICLE XXV

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement and any Work Orders issued pursuant to this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XXVI

Default, Termination, and Cancellation:

- A. 1. **Termination by Default:** If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default (notice) that shall state the following:
 - a. The alleged default and the applicable Agreement provision, and
 - b. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

2. If County terminates this Agreement, in whole or in part, for default:

- a. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Contractor shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Contractor, the excess costs to procure from an alternate source.
- b. County shall pay Contractor the sum due to Contractor under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Contractor under this Agreement and the balance, if any, shall be paid to Contractor upon demand.
- c. County may require Contractor to transfer title and deliver to County any completed work under the Agreement.

3. The following shall be events of default under this Agreement:

- a. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
 - b. A representation or warranty made by Contractor in this Agreement proves to have been false or misleading in any respect;
 - c. Contractor fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
 - d. A violation of ARTICLE XXXVII, Conflict of Interest.
- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement or any Work Order issued pursuant to this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Contractor, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated

to pay more than the total amount of the Work Order or the total amount of the Agreement, as applicable. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise. In the event of termination, County reserves the right to take over and complete the work by contract or by any other means.

Said notice shall become part of this Agreement upon acknowledgment in writing by County's Contract Administrator, or designee, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XXIX

Indemnity: To the fullest extent permitted by law, Contractor shall defend at its own expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the acts or omissions of Contractor or its officers, agents, or employees in rendering the services, operations, or performance hereunder, except for liability, claims, suits, losses, damages or expenses arising from the active negligence, sole negligence, or willful acts of the County, its officers and employees, or as expressly prescribed by statute. This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in Civil Code section 2778.

The insurance obligations of Contractor are separate, independent obligations under the Agreement, and the provisions of this defense and indemnity are not intended to modify nor should they be construed as modifying or in any way limiting the insurance obligations set forth in the Agreement.

Nothing herein shall be construed to seek indemnity in excess of that permitted by Civil Code section 2782, et seq. - K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to County, its officers, officials, employees, or volunteers.

- L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Contractor's obligations shall not be limited by the foregoing insurance requirements and shall survive the expiration of this Agreement.

1. Promptly give written notice to the other of the fact that it is unable to so perform and the cause(s) that is beyond its control.
2. Once the cause(s) has ceased, provide written notice to the other party and immediately resume its performance under this Agreement.

The remedies herein provided are cumulative and are not exclusive of any other remedies provided by law.

ARTICLE XXXVII

Conflict of Interest: The parties to this Agreement have read and are aware of the provisions of Government Code section 1090, et seq. and the Political Reform Act of 1974 (section 87100, et seq.), relating to conflict of interest of public officers and employees. County's Contract Administrator, or designee, shall at the time this Agreement is executed make an initial determination whether or not the individuals who will provide services or perform work pursuant to this Agreement are consultants within the meaning of the Political Reform Act and County's Conflict of Interest Code. Statements of economic interests are public records subject to disclosure under the California Public Records Act.

Contractor covenants that during the term of this Agreement neither it, or any officer or employee of Contractor, has or shall acquire any interest, directly or indirectly, in any of the following:

2. Any other entities connected with, or directly affected by, the services to be performed by this Agreement.
3. Any officer or employee of County that are involved in this Agreement.

If Contractor becomes aware of a conflict of interest related to this Agreement, Contractor shall promptly notify County of the existence of that conflict, and County may, in its sole discretion, immediately terminate this Agreement by giving written notice of termination specified in ARTICLE XXVI, Default, Termination, or Cancellation.

Pursuant to Government Code section 84308 (SB 1439, the Levine Act), Contractor shall complete and sign the attached Exhibit B, marked "California Levine Act Statement,"

incorporated herein and made by reference a part hereof, regarding campaign contributions by Contractor, if any, to any officer of County.

ARTICLE XXXVIII

Nondiscrimination:

- A. County may require Contractor's services on projects involving funding from various state and/or federal agencies, and as a consequence, Contractor and its subcontractors, if any, shall comply with all applicable nondiscrimination statutes and regulations during the performance of this Agreement including but not limited to the following: Contractor and its employees, subcontractors, and representatives shall not unlawfully discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, military and veteran status of any person, marital status, age, sex, gender, gender identity, gender expression, or sexual orientation. Contractor and its subcontractors shall, unless exempt, comply with the applicable provisions of the Fair Employment and Housing Act (Government Code section 12900, et seq.) and applicable regulations promulgated thereunder (2 California Code of Regulations section 11000, et seq.); the applicable regulations of the Fair Employment and Housing Commission implementing Government Code, section 12990, set forth in Subchapter 5 of Chapter 5 of Division 4 of Title 2 of the California Code of Regulations incorporated into this Agreement by reference and made a part hereof as if set forth in full; and Title VI of the Civil Rights Act of 1964, as amended. Contractor and its employees and representatives shall give written notice of their obligations under this clause as required by law.

Contractor will be required to submit a Form 590 prior to execution of this Agreement, or County shall withhold seven (7) percent of each payment made to Contractor during the term of this Agreement. This requirement applies to any agreement/contract exceeding \$1,500.

ARTICLE XL

ARTICLE XLI

Resolution of Claims: Contractor's attention is invited to Public Contract Code section 20104, et seq., for resolution of construction claims, and specifically section 20104.2. Claims pertaining to this Agreement shall be governed by the provisions of those sections.

Your attention is directed to Public Contract Code section 9204, which describes procedures for the resolution of claims on public works projects. Among other things, section 9204 requires the claimant to furnish reasonable documentation to support a claim, requires the public entity to respond to the claim within forty-five (45) days of receipt of the claim, and allows for the claimant to demand an informal meet and confer conference for settlement of the issues in dispute. For any portion of a claim that remains in dispute, section 9204 requires submission of the claim to nonbinding mediation. Additionally, section 9204 requires the public entity to make any payment due on an undisputed portion of the claim within sixty (60) days of the public entity's written response and to pay interest at the rate of seven percent (7%) per annum on any amounts not paid in a timely manner. The claims procedures described herein and in any other contract documents are in addition to the procedures required by section 9204 and, in the event of a conflict between those various procedures, the more stringent procedures will control.

ARTICLE XLII

ARTICLE XLVI

Partial Invalidity: If any provision, sentence, or word of the Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions, sentences, or words will continue in full force and effect without being impaired or invalidated in any way.

ARTICLE XLVII

No Third-Party Beneficiaries: Nothing in this Agreement is intended, nor will be deemed, to confer rights or remedies upon any person or legal entity not a party to this Agreement.

ARTICLE XLVIII

Counterparts: This Agreement may be executed in one or more counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument.

ARTICLE XLIX

California Levine Act Statement

California Levine Act Statement

California Government Code section 84308, commonly referred to as the "Levine Act," prohibits any officer of El Dorado County from participating in any action related to a contract if he or she accepts, solicits, or directs any political contributions totaling more than five hundred dollars (\$500) within the previous twelve (12) months, and for twelve (12) months following the date a final decision concerning the contract has been made, from the person or company awarded the contract. The Levine Act also requires disclosure of such contribution by a party to be awarded a specific contract. An officer of El Dorado County includes the Board of Supervisors, any elected official, and the chief administrative officer (collectively "Officer"). It is the Contractor's responsibility to confirm the appropriate "Officer" and name the individual(s) in their disclosure.

Have you or your company made any political contribution(s), or been solicited to make a contribution by an Officer or had an Officer direct you to make a contribution of more than \$500 to an Officer of the County of El Dorado in the twelve months preceding the date of the submission of your proposals or the anticipated date of any Officer action related to this contract?

YES NO

If yes, please identify the person(s) by name:

Do you or your company anticipate or plan to make any political contribution(s) of more than \$500 to an Officer of the County of El Dorado in the twelve months following any Officer action related to this contract?

YES NO

If yes, please identify the person(s) by name:

Answering YES to either of the two questions above does not preclude the County of El Dorado from awarding a contract to your firm or any taking any subsequent action related to the contract. It does, however, preclude the identified Officer(s) from participating in any actions related to this contract.
