Hopefully this can be shared with all the Board

We the people that live near the proposed San Stino development are opposed to it, and if you would take the time to visit our community meetings you would see that to be so true. It's Nice of the board to Have meeting this important to the Community at 9 am when all the people that pay their salary are working, the only people that can make all their meetings are retired or not working, how about you have them at 7 pm and see how many people show up! No they will never do it make to much sense ,the Shingle Springs Community is about to see impending development causing drastic traffic congestion as well as noise and light pollution. Please hear the Community that you are suppose to protect

NO ON SAN STINO

Steve Clark

Mr. Clark -

Thank you for your correspondence on this project. I will add it to the Clerk's file and forward a copy to each of the Board Members.

Best Regards,

Cindy Johnson  
Sr. Deputy Clerk  
Board of Supervisors  
County of El Dorado
