Summary of qualifications I have served on a Board of Directors for an HOA for many years reviewing community plans and designs for construction			
Affiliations with professional and/or community groups Concerned Citizens of Cameron Park (CCOCP)			
Why do you seek appointment? I would like to be more involved with the development of my community here in Cameron Park and its future; identifying and developing its identity for its citizens; ensuring safe and coherent planning that fits in with that sense of identity.			
Additional Information While working with the Dept. of Corrections and Rehabilitation, one of my primary duties was working with public entities and clearing out overgrown landscaping, cleaning out homeless camps while working with Caltrans and various cities to abate future such problems. I believe that I can bring a unique perspective to the DRC as it relates to future development with an eye on security and safety in the community.
