Report Suspicious

Hello,

In regard to Consent Item 23, legistar file #26-0098, section VI (B) states: "All changes shall be reviewed by the Information Technology Steering Committee."

In the Grand Jury report (case 25-05) about Technology Leadership, they had recommended to reconfigure the IT Steering Committee, which the Board agreed to once the CIO position was filled, in collaboration with the CAO.

Has that been done, and will it be monitored for consistency? If not, then this is not a helpful guardrail to assist in the maintenance of this critical policy.

Regards,

Linda K Campbell
