As your constituent in District 2 and a 25-year resident of El Dorado County, I respectfully request you to give your strongest support for the faster track construction schedule for the desperately needed and long-overdue new animal shelter for our county. Support the schedule being proposed by DOT, and move the project forward as quickly as possible. The residents, both human and furry, badly need this shelter. I am willing to help in any way possible to support this project. Thank you.
