The purpose of my being here today is to address the crisis of transparency, accountability and the quality of leadership in EDC. I don't know about you, but my parents always taught me to stand up and challenge bullies...

Yesterday Al Hamilton had the audacity to use the Taxpayers Assn. as a bully pulpit to discriminate, libel and slander a paid member of the Assn. This was a repeat disrespectful performance of last week when Bill Schultz, County Recorder Clerk was our guest speaker.

In January 2013 Supervisors Veerkamp & Mikulaco will recall when they witnessed Al publicly announce his 'dictatorship' of the organization and his subsequent libelous email that he again claimed yesterday to be the "truth."

It's a good thing citizens had the good sense not to elect Mr. Hamilton as a supervisor when he ran for office a few years ago. There are certain things the public has a right to know in order to cast INFORMED votes during elections...

(In that regard I'd like to read just a few excerpts from the Notice & Demand presented to Al Hamilton during yesterday's Taxpayers Assn. meeting...copy to D.A. Vern Pierson & CA BAR Assn.)

(I'd also like to submit a CPRA – name of bonding agency for Karl Weiland & Al Hamilton with a reminder that you have 10 days to comply)

Do you have any questions or comments at this time?

Mr./Madam Clerk: I ORDER you to ensure these documents are entered into the public record – envelope for Ed Knapp:

1. Taxpayers EDC Counsel Notice & Demand/Affidavit
2. CPRA – Bonding Agency

In closing I'd like to wish you all a Merry Christmas and the hope for a more ***transparent and accountable*** government in the New Year.
