The Agenda for tomorrow's meeting includes two items from Health & Human Services related to loan documents for the Mercy Housing Sunset Lane Apartment project. The requested action on the agenda is to continue these two items to January 31, 2012. Additional time is needed to complete the review of the loan documents for item #21 (CDBG and HOME funding) and since item #22 (Cal HFA) is a companion item for this project, please revise the requested action to continue both items to **February 7, 2012**. The items may remain on the consent calendar if this revision can be included in the adoption of the consent calendar.

Please let me know if you require any additional information regarding this request. Thank you.
