RE: August 27, 2013 Agenda Item 34, Government and Community Affairs Position

Dear Board Members:

It is my understanding that this is just a discussion item, not an action item.

However, after your discussion, I recommend that this matter be continued until after the Budget Hearings in September for your consideration. The books are not yet closed for the year ending June 30, 2013. Until we have a better understanding of our current financial position and until we have a better understanding of all of your Board's spending priorities for fiscal 2013-14, it is my opinion that no formal action should be taken on this item.

Sincerely,

Joe Harn
Auditor-Controller
