SUBJECT: **Fee Waiver Request – Props, Cops, and Rodders Temporary Use Permit**

I have reviewed the fee waiver request for the 'Props, Cops, and Rodders' car show fundraiser to be held at the Cameron Park Airpark, 3374 Mira Loma Drive, Cameron Park, CA 95682, on September 28, 2024.

The TUP fees of \$2,053.54 include \$985 for Planning fees, \$95 for Stormwater, \$86 for Environmental Management fees, and \$856 for Department of Transportation fees. The only fee not recommended to be waived is the technology fee of \$31.54, as this fee is typically not waived as it is nominal on a project level, and the accumulated collection from all projects is essential to broader County operations.

Per Policy B-2, Section III (B), *The Chief Administrative Officer shall have the discretion and authority to waive all or a portion of the fees for projects that meet these criteria up to \$1,000. Fee waivers over \$1,000 shall require the approval of the Board of Supervisors.*

I concur with your request to bring an item to the Board to consider waiving the \$2,022 in fees, as the project is proposed by a non-profit organization that will provide a substantial public benefit, under Section II, B(3) of the Policy.
