Dear County Clerk,

I am writing in regard to this item to be heard tomorrow about raising rates (yet again) for our garbage. My Husband and I are greatly opposed to this increase because they have raised our rates for the last 3 years (if I'm correct) and with everything going up (especially gasoline) it puts a huge strain on folks barely making ends meet. Everything has increased since Covid 19 and I hope this price hike can be stopped.

In the card I received in the mail, it asks for an increase of 5.5% plus 3.75% with some charges being larger (but doesn't explain how much).

A lot of folks live on a fixed income and just cannot afford all these increases. We hope and pray this increase will not be approved.

Thank you for your time and consideration.
