Summary of qualifications Pertinent Qualifications: I have been a homeowner in Meyers, although not within the Meyers Area Plan, since 2017. I am a lifelong local of the Tahoe Basin, having spent half of my life in North Lake Tahoe, and the second half in South Lake Tahoe. As such, I am deeply familiar with the structure of our community and can act to provide perspectives for a variety of community members. Skills and Experience: environmental research and data management, environmental compliance, forest management, stormwater management, erosion and sediment control, wetland and meadow restoration, community engagement and interaction, strategic planning, regulatory compliance and permitting, TRPA code of ordinances, grant management, California Environmental Quality Act compliance, partnership development, cross-agency interaction, conflict resolution, and technical writing. Please request resume for full description of professional experience. Education: Bachelors of Science: Environmental Management and Protection, California Polytechnic State University (2010) personal qualities: passionate, resourceful, outgoing, informed, technically accurate, approachable, community-minded			
Affiliations with professional and/or community groups NA			
Why do you seek appointment? I seek appointment to the Meyers Area Council to apply my passion and skillset to the benefit of the Meyers community. I take pride in the community of Meyers, and desire to apply my pride in a manner that can lead to a better place for everyone in our community to live and for others to visit. With over a decade of professional environmental management, planning, and regulatory compliance experience in the Lake Tahoe Basin, I offer a skillset and perspective that can support the MAC in achieving its goals. Through my current professional career, I maintain a broad working relationship within the community, which I believe provides opportunity to facilitate MAC related communication. I maintain a personal interest in the community development and planning activities occurring in, and adjacent to Meyers. In the past 5 years, when I moved to Meyers, I have attended meetings lead by the following: MAC , South Lake Tahoe City Planning commission, El dorado County, and Tahoe Paradise Park. I am familiar both with past development and improvement projects in Meyers, but I also maintain familiarity with most planned and upcoming projects in the community. As such, I offer a well rounded and informed perspective.			
Additional Information Personal interests of relevance: interest and knowledge of Meyers history, interest and experience in invasive and sensitive plants, interest in community infrastructure development and planning Other relevant information: I have read the Meyers Area Plan a number of times, and am highly familiar with the document and structure. I excel with understanding and summarizing the complex structure of regulations and planning documents to others who are less able to do so. I work well in groups.
