RE: Proposed Revisions to Rule 215 - Architectural Coatings & Rule 101 - General Provisions and Definitions; ACA Comments

Dear Mr. Baughman:

The American Coatings Association (ACA)¹ appreciates the revisions that the District has made to Rule 215 - Architectural Coatings & Rule 101 - General Provisions and Definitions as per our suggested comments. As such, we have no further objections to the adoption of these rules at this time.

Thank you for your consideration of our suggestions. Please feel free to contact us at (202) 462-6272 if you have any questions.

Sincerely,

/s/

David Darling, P.E.
Vice President, Health, Safety and Environmental

¹ The American Coatings Association (ACA) is a voluntary, nonprofit trade association working to advance the needs of the paint and coatings industry and the professionals who work in it. The organization represents paint and coatings manufacturers, raw materials suppliers, distributors, and technical professionals. ACA serves as an advocate and ally for members on legislative, regulatory and judicial issues, and provides forums for the advancement and promotion of the industry through educational and professional development services.
