

Commissioner Weddle

- Chair role
 - Conducting meetings in timely and orderly order per Rosenberg's Rules of Order
 - Provide opportunity for all members and the public to provide input
 - Start and end meetings on time
 - Comply with Brown Act and county directives
 - Seek maximum transparency
 - Communicate with supervisor on regular basis
 - Co-develop and assist with development of annual report to BOS
 - Assist with agenda development
- Expectations
 - Quorum at all meetings
 - Commissioners need to review all agenda items and attachments prior to meetings
 - Collegial behavior at all meetings
 - Complete agenda items on time
 - Commissioners stay on topic during course of meeting
 - Begin and end meetings on time
- Goals
 - Be prepared to intelligently and effectively advise the BOS individually or collectively
 - Efficiently administer the budget to fund commission projects

Commissioner Byrne

- Need to be more proactive with BOS
- Opportunities to capitalize on
- Current projects show genuine concern
- Can do better job at looking at projects to better environment
- Opposed to disbanding commission
- Derbies have place on commissions radar
- Projects on table being worked on - some take a while to complete
- Most diverse commission he has been associated with, individual expertise and maximizing resources
- Visiting other local F&W commissions to get an idea of what they are doing and adopt ideas to incorporate
- General public needs to realize they have a resource in the commission
- Advertise meetings to engage public

Commissioner Denaga

- Opposed to disbanding
- Serves as link to BOS and general public
- Mountain lion and black bear topics
- Message with opinions is important
- Input into various issues and projects i.e. derbies, Byrne banding doves and EDH fish habitat, Jermstad input on wildlife friendly fencing, deer sign lighting and warning signals
- Thoughts on future of commission - keep doing what commission has been doing, it is working

Commissioner Davies

- Sees commission as support for LeeAnne Mila
- Progress with mountain lion info
- Commissioner Allen as resource with bears
- Take lead from LeeAnne - support Ag Dept/Commission
- Fishing derbies as fun projects
- Encourage BOS to become more engaged about wildlife

Commissioner Robinson

- Agrees with Byrne and Denaga
- Safety of community
- Encourage public to communicate with commission
- Voice of commissioners
- Important to continue and try and make change
- Public is interested in what is going on with wildlife in the county
- Opportunity to learn from areas and people in the county
- Important to try and do the right thing for those who live in the county
- Member of Native American council - asked to provide council with updates from F&W Commission
- Would like to see the commission let people know there are people who care about problems and concerns in county
- Expectation is to give BOS information from those with concerns outside the commission. Give a positive outlook

Commissioner Allen

- Helping make the commission known in the Tahoe community
- Making a difference with input provided to BOS
- People problem with bears
- Come out of fishing derby rut (they are important, agree with having them) but branch out into something more, have more of an impact on communities. Beneficial presence for communities

Staff LeeAnne Mila

- Staff support to commission
- Role to help get things done (i.e. changes to ordinance)

Commissioner Schwarzbach

- Background in ecology and wildlife biology
- Interested in using skills, abilities, knowledge to help mission of commission
- Provide high quality scientifically sound advice to BOS so the BOS is incorporating sound science into policy
- Enjoys meeting with commission, working with Shelly and Bob and learning about wildlife issues i.e. Tahoe bear issues
- Privilege and honor to serve on commission and learn what is going on
- Make a difference and do something meaningful
- Also serves on resource conservation district board - wildlife human conflict issues revolve around need for better education of public and how to live with wildlife. Would like to see commission be involved with other agencies involved with conservation and education in community
- Support of CA F&W staff (Bob and Shelly)

Response from Ag Dept

- Support in processing payments for all expenditures and reporting financial reports
- Support in obtaining permits from state fish and wildlife
- Provide admin support

Response from Kaylee

- Attend all regular and special meetings as the Secretary/Clerk
- Work with the Chair and Commissioners to receive agenda items
- Work with Ag staff to receive finance reports
- Create agenda items, publish, and post agendas
- Prepare draft agendas for review by the Chair and Ag Department staff
- Create, publish, and post minutes
- Distribute final meeting agendas and attachments electronically to Commissioners prior to meetings
- Distribute draft meeting minutes electronically to Commissioners following meetings
- Prepare and distribute printed meeting agenda packets for Commissioners and the public
- Send Gov Delivery notices to the public
- Upload meeting videos to the public site
- Update BOS commission website with membership and governing documents
- Post vacancy notices as needed
- Track training compliance for Brown Act, Unconscious Bias, and Ethics
- Support compliance with Brown Act and AB2449 requirements
- Distribute communications to Commissioners
- Reserve and set up meeting conference rooms
- Work with Tahoe Commissioner and staff to coordinate teleconferencing for meetings as needed
- Coordinating annual report to the BOS
