The County has determined that these are authorized by the County of El Dorado Charter, Section 210(b)(6) and/or Government Code Section 31000.

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor shall operate a Transitional Housing Placement-Plus (THP-Plus) program on behalf of the County of El Dorado Health and Human Services Agency (HHSA) and in accordance with the appropriate requirements of the California Welfare & Institutions Code (WIC) and the California Department of Social Services (CDSS). The goal of the THP-Plus program is to provide a safe living environment while helping young adults (referred to herein as "Participant") achieve self-sufficiency so that they may continue to learn appropriate life skills upon leaving the foster care support system. THP-Plus program services shall be in accordance with Exhibit A marked "Transitional Housing Placement Plus Plan for Implementation in the County of El Dorado," and Exhibit B marked "Whole Person Learning, Inc. THP-Plus Certification Materials," incorporated herein and made a reference a part hereof.

Further, Contractor shall immediately notify County of the Participant's first day of placement at the facility and shall immediately notify County of the Participant's last day of placement at the facility. Contractor also is responsible for continuous and extensive monitoring of Participant's progress toward identified goals as outlined in Exhibit C marked "Transitional Independent Living Plan Timeline and Exhibit D marked "THP Plus Participant Tracking System." The information contained in Exhibit D is intended to be entered into the Statewide THP-Plus Participant Tracking System. Contractor shall, with prior HHSA knowledge and approval, participate in the Statewide THP-Plus Participant Tracking System. Entrance, quarterly, exit, six (6) months post-exit, and twelve (12) months post-exit follow-up reports shall be completed and maintained for each Participant who participates in the program. The data shall be continuously updated.

Contractor also shall submit quarterly reports (Exhibit E), which outlines the support services and associated cost breakdowns.

ARTICLE II

Term: This Agreement shall become effective when fully executed by all parties hereto and shall cover the period of March 1, 2017 through February 28, 2020, unless terminated earlier pursuant to the provisions contained herein this Agreement under the Article(s) titled "Default, Termination, and Cancellation" or "Fiscal Considerations."

ARTICLE III

Compensation for Services: Under this Agreement, the billing rate per Participant shall be \$2,493.00 per month. This monthly rate shall be inclusive of all Contractor costs including but not limited to travel, transportation, lodging, meals, supplies, and incidental expenses.

For services provided herein, County agrees to pay Contractor monthly in arrears and within forty-five (45) days of Participant's placement at the facility. Payments for services provided shall be made through the California Statewide Automated Welfare System (SAWS) Consortium

IV Joint Powers Authority (C-IV). Additionally, Contractor shall not invoice for services until the Participant has signed a housing lease and has moved into said housing.

Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

Contractor's records shall reflect the expenditure and accounting of said funds in accordance with all State laws and procedures for expending and accounting for all funds and receivables, as well as meet the financial management standards in 45 CFR Part 92 and in the Office of Management and Budget Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." More particularly, Contractors are responsible for complying with the Uniform Grants Guidance and 45 CFR Part 92, and the allowability of the costs covered therein. Contractor must obtain written approval from a member of the HHS Executive Management prior to" the expenditure of any "special" or unusual costs in order to avoid possible disallowances or disputes based on any potential unreasonableness or unallowability of expenditures as detailed under the specific cost principles of the Uniform Grants Guidance. In order to obtain the most current regulations, the user should consult not only the latest version of the CFR, but also the List of (CFR) Sections Affected (LSA) issued in the current month. The *Federal Register* home page offers links to both the *Federal Register* and the CFR. Electronic CFR (e-CFR) versions are available online via the U.S. Government Printing Office (GPO) website. Please note that documents on e-CFR, although updated daily, are unofficial editorial compilations of CFR material and *Federal Register* amendments and on-line versions may not be the most current version available.

- 7) **Annual Audit:** Pursuant to the Office of Management and Budget Uniform Grants Guidance, any entity that receives federal funds, as stated in the Uniform Grants Guidance, for the purposes of carrying out federal programs, must complete an annual audit. The funding threshold is aggregate funds from all sources. If requested by County, Contractor shall mail a certified copy of said completed annual audit to County's Health and Human Services Agency at the address listed in Agreement's "Notice to Parties" Article within thirty (30) days of Contractor's receipt of same. All adverse audit findings must be documented and included with completed annual audit. Certified evidence of correction(s) of adverse audit findings shall be provided to County at the HHS address listed in Agreement's Article titled "Notice to Parties."

- 8) **Lobbying Certification:** The Contractor, by signing this Agreement, hereby certifies to the best of his or her knowledge and belief, that:
 - A. No federally appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the

extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

- B. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with this federal contract, grant, loan or cooperative agreement, the Contractor shall complete and submit Standard Form SF-LLL, OMB Number 0348-0046 "Disclosure of Lobbying Activities" in accordance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. This certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U. S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

- 9) Conflict Prevention and Resolution:** The terms of this Agreement shall control over any conflicting terms in any referenced document, except to the extent that the end result would constitute a violation of Federal or State law. In such circumstances, and only to the extent the conflict exists, this Agreement shall be considered the controlling document.
- 10) Continuous Operation:** Contractor shall operate continuously throughout the term of this Agreement with at least the minimum number and type of staff required to meet applicable Federal, State, and County requirements, and which are necessary for the provision of services hereunder.
- 11) Drug-Free Workplace:** Contractor agrees to maintain a drug-free workplace and remain in compliance with the Federal Drug-Free Workplace Act of 1988 (41 U.S.C. Chapter 10) and the California Drug-Free Workplace Act of 2000 (Government Code Section 8350 et seq.) and any subsequent amendments to either Act thereto. A "drug free workplace" means the site(s) for the performance of work done by Contractor at which Contractor and employees of the Contractor are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of any controlled substance. A list of controlled substances can be found in Schedules I through V of Section 202 of the Controlled Substances Act (21 U.S.C. 812) and as further defined in Regulation 21 Code of Federal Regulations (CFR) 1308.11 – 1308.15.
- 12) Fingerprinting:** Pursuant to California Penal Code Section 11105.3(a), "Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of Section 15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which he or she would have supervisory or disciplinary power over a minor or any person under his or her care." Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her

care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor's sole expense. More specifically, Contractor agrees that:

- a) Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor's sole expense.
- b) The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor's employees, subcontractors, assignees or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.
- c) Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting, and shall state whether the process has disclosed any criminal history of the individual, which may compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice (DOJ) by Contractor shall be retained or disposed of pursuant to current DOJ directives.

13) Litigation: County, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the County or State of California or its officers or employees for which the Contractor must provide indemnification under this Agreement. The failure of the County to give such notice, information, authorization, or assistance shall not relieve the Contractor of its indemnification obligations.

Contractor, promptly after receiving notice thereof, shall immediately notify the County in writing of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the County or State of California, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the County and State.

14) Release of Information: Contractor shall ensure that the County of El Dorado Health and Human Services Agency is included as a receiving party on all Release of Information forms used in the performance of services under this Agreement.

15) Transfer of Records: In the event that Contractor ceases operation, all physical and electronic files that are subject to audit shall be transferred to the County for proper storage of physical records and electronic data. Contractor shall notify County of impending closure as soon as such closure has been determined, and provide County with a complete list of records in its possession pertaining to County Clients and operational costs under this Agreement. County shall promptly advise Contractor which records are to be transferred to the custody of County. Contractor shall properly destroy records not transferred to custody of County, and Contractor shall provide documentation of proper destruction of all such records to County.

16) Waivers: Failure of County to enforce any provision of this Agreement shall in no event be considered a waiver of any part of such provision or any other provision contained herein. No waiver by County of any breach or default by Contractor shall operate as a waiver of any succeeding breach of the same terms in the Agreement or other default or breach of any of Contractor's obligations under the Agreement. No waiver shall have any effect unless it is specific, irrevocable, and in writing.

I. Purpose of the Housing Opportunities Providing Experience (HOPE) Program and Mission of Whole Person Learning

The overall mission of Whole Person Learning is: *to empower youth and young adults to thrive in their communities by using a collaborative, individually tailored, positive youth development approach. Our vision: Youth and young adults are engaged in their communities, honored for their lived experience, and participating actively in their futures.* The specific purpose of HOPE is to work together with eligible emancipated youth ages 18 to 24 by:

- Securing and maintaining housing near employment, education, transportation, and other natural supports;
- Providing intensive financial assistance and support in learning life skills;
- Connecting with community resources and building relationships with lifelong supports;
- Coordinating services in all areas of transition, including but not limited to: employment, education, training, health, housing, leadership, legal, money management and transportation.

HOPE participants describe the purpose of HOPE as follows:

- Reaching out, giving guidance and focusing on individual needs for independence;
- Receiving one on one assistance that helps expand knowledge of life skills, such as finances and self management;
- Furthering youths' understanding of balance with responsibility;
- Guiding youth in reaching their happy medium with managing full financial responsibility;
- Ensuring each youth's potential for success.

II. Population to be Served

The Housing Opportunities Providing Experience (HOPE)/THP-Plus program, administered by Whole Person Learning, will serve young adults ages 18 and not yet 24 years old who have emancipated from court ordered out of home foster/probation care, from a county that has elected to participate in THP-Plus, when they have reached at least age 18. Participants will also have established and be pursuing the goals identified in their County-approved Supportive Transitional Emancipation Program (STEP) Transitional Independent Living Plan (TILP). Whole Person Learning will work closely with El Dorado County Independent Living Program (ILP) and/or other county ILP Coordinators to verify proof of dependency, age at emancipation, placement type and ILP participation.

Admission Criteria

Youth will begin the THP-Plus/HOPE admission process by completing a referral form with the referring contact person. At this point, youth will be screened for eligibility requirements. When a housing slot becomes available, the next step will be for the youth and their supports (which may consist of the referring contact person, their ILP worker, a youth or parent advocate, and other permanent supports) to attend an application meeting where the HOPE program is explained in detail. If youth decide to continue the application process, they would be required to complete the application form and attach their current budget and TILP. The application, references and supporting documents will be reviewed with the following criteria:

- Youth must be actively participating in or have a history of active participation for at least three months in a County Independent Living Program.
- Active participation is defined as: meeting with ILP worker for all scheduled appointments, calling to cancel if unable to participate and working toward goals as identified in the TILP.
- Youth must be actively involved in mental health and/or substance abuse treatment, as recommended by a licensed and/or certified practitioner.
- Youth is willing to participate in all aspects of THP-Plus and will follow the THP-Plus Policies.
- Youth is willing to participate with a support team in decision making and goal setting for success in THP-Plus.
- Youth does not have sufficient resources available through other agencies/private funding.
- Pregnant or parenting youth may be given priority if she/he meets all the guidelines.
- Older youth (ages 20-23) may be given priority, if he/she meets all other guidelines.
- Youth who are homeless or pending immediate homelessness may be given priority if he/she meets all other guidelines.

If the applicant meets the above criteria, an interview will be scheduled with the youth and their supports. The THP-Plus interview panel will consist of, at minimum, an El Dorado County Representative and a HOPE Administrative staff. Interview

questions will reflect the above criteria and the strengths and needs of the young adult. A second interview may be scheduled, if needed. The interview panel would then decide to accept or reject the application. Application rejections will be in writing and include specific information regarding why the applicant was not accepted.

Statement of Non-discrimination

Whole Person Learning does not discriminate on the basis of race, gender, sexual orientation, or disability and provides a safe and adequate residence and allows participants the maximum amount of independence and self-sufficiency.

III. Services Provided by Whole Person Learning/HOPE

Goal Statement, Supportive Services, and Subsidies

The goal of HOPE is to walk along side and coach participants as they build permanent supports and become empowered to identify and achieve their individual goals in housing, health, money management, employment, education, transportation, legal, leadership and life skills.

After a youth is accepted into HOPE, a Transition Team Meeting will be scheduled with the youth and their supports. Supports may consist of HOPE Youth Coaches, ILP or One Stop/employment agency staff, former foster parents, education agency staff, friends, relatives and any other supports identified by the youth. During this meeting, the youth will identify their goals in the areas of housing, health, money management, employment, education, transportation, legal, leadership and life skills. Youth will also identify specific supports who will help them achieve their goals and a timeline by when the goals are to be accomplished. (Please see attached Transition Team Meeting Form and HOPE Transition Topics.)

During this first Transition Team Meeting, the Tenant Provider Contract Agreement will be reviewed and signed by the youth and all supports. HOPE Guidelines for Participant 24 Month Expenses (see attached) will also be reviewed. These guidelines identify the youth percentages of their expenses in the areas of savings, rent, utilities, food and transportation. For example, youth are required to save 50% of their earnings, including financial aid and/or cash aid for at least the first 6 months of the program. This savings requirement decreases over time as other expenses increase. After 12 months in the program, with gradual increases, participants will be required to pay 50% of their rent and utilities. During the last three months of the program, the

guidelines also show how youth are required to attempt to pay 100% of their expenses to more smoothly transition out of HOPE.

Youth Coaches and youth will search for and secure safe and affordable housing that meets each youth's individual needs (e.g., the apartments will be located near public transportation lines, employment, educational and vocational opportunities, health services and connections to the youth's natural supports). Youth Coaches will work with the youth and property manager to assure compliance with federal, state and local housing laws and to inspect the unit, using the U.S. Department of Housing and Urban Development Inspection Form & Checklist (see attached). If the unit appears to comply with housing quality standards, the youth, HOPE staff, and Property Manager will utilize Third Party Agreements (see attached) to clearly explain the responsibilities of each party regarding rent, policies, procedures and services of the program. Releases of Information with the Property Manager will also be signed. Deposits and first month's rent will be paid by HOPE. A full size bed, dresser, dining table and chairs, pots, pans, dishes, silverware, fire extinguisher and ladder, first aid kit, \$200.00 of grocery items, and \$400.00 of household items such as a vacuum cleaner, lamps, etc.(the youth and Youth Coach shop for these together, see attached shopping list) will be provided on move in day.

HOPE offers a scattered site model of THP-Plus where youth directly lease their apartment. The lease, utilities, phone and other expenses will be in the youth's name, allowing youth to build credit. A plan for Fiscal Self Sufficiency- PFSS (see attached), which outlines the youth's and HOPE's specific financial obligations, will also be completed when the rental amount, which will vary depending upon the apartment complex where the youth chooses to live, is determined (e.g., the youth's rental obligation may show an increase of \$30.00 to \$40.00 per month). HOPE will provide a rental subsidy that decreases over time as youth progress in the program and are able to pay larger amounts of their rent. THP-Plus will contribute \$50.00 per month in an interest bearing savings account for program participants. Participants will receive up to \$250.00 per month for groceries, \$100.00 per month for utility assistance (electricity, gas and phone), \$100.00 per month for transportation assistance (e.g., auto expenses, gas, bus passes) and \$200.00 per month for other expenses (e.g. clothing, health care, educational supplies and miscellaneous furnishings). It is important to note that the "other expenses" are an average which includes the initial cost of all move in furnishings. To access funding, HOPE participants will complete requests for specific amounts needed and sign for gift cards or checks received.

HOPE and the youth will pay the amounts specified in the PFSS directly to the apartment complex, utility and phone companies. If the youth is unable to meet their financial commitments, (e.g., loss of job, reduced hours at work, unemployment, disability, etc.) they are required to immediately notify their HOPE Youth Coach to modify their plan and schedule a Transition Team Meeting. During their Transition Team Meeting, youth and their supports will review the youth's progress towards their goals and discuss options for the youth to meet their financial obligations, including extra financial support from HOPE. Youth will then be required to show documentation of their efforts to meet their goals (e.g.: job seeking contact sheet, application to unemployment or Social Security).

Transition Team Meetings will occur on at least a quarterly basis and more frequently for participants who may be struggling with areas of non-compliance with HOPE policies. In order to meet the goals identified during Transition Team Meetings, HOPE will work with the youth and their supports to provide coaching and support services including, but not limited to the following:

- Education (e.g. assisting youth in obtaining high school diploma, GED or CHSPE, applying for college, vocational training, financial aid, scholarships and grants, monitoring and supporting youth in maintaining attendance and academic success);
- Employment (e.g. training in jobs seeking/keeping and readiness skills, linkage with local One Stop Centers and other employment resources, assessment and exploration of future career goals, education regarding high wage jobs that can help to ensure financial independence);
- Health (e.g. assisting youth who are in need of counseling, therapy or other medical treatment in identifying, accessing and engaging in treatment available through public or private providers who accept Medi-Cal, working with youth to arrange transportation to all medical appointments, monitoring and assisting youth with acute or chronic medical conditions in following the recommendations of their doctor, including appropriate use of medication);
- Financial management (e.g. training in creating and adhering to a budget, explaining advantages and consequences of using credit, depositing \$150.00 per quarter in an interest bearing savings account, reviewing all financial records with youth on a monthly basis and monitoring the Plan for Fiscal Self-Sufficiency, providing basic utilities, telephone and other housing needs);
- Housing (e.g. finding and securing safe and affordable housing, inspecting units, establishing lease and program agreements with property managers, training on state and federal fair

housing laws, providing basic household furnishings, informing on safe and healthy care and maintenance of a household and, upon graduation, assisting youth with securing and maintaining affordable housing upon completion of the program);

- Emergency support (e.g., informing youth of and posting emergency phone numbers and 24 hour crisis lines, instructing youth to call 911 for life threatening emergencies);
- Community resources and supports (e.g. helping youth to identify, connect and build relationships with permanent life-long supports, including family, friends and other natural connections)
- Aftercare and evaluation (e.g. assisting youth in locating adult mentors that meet their particular interests and needs, securing commitments from mentors to follow youth for at least six months after graduation from the program, connecting youth to support groups and community resources, tracking and evaluating youth outcomes for at least two years after graduation).

In addition to the above intensive and individualized life skills training, participants may also attend quarterly Celebrations/Advisory Meetings where youth evaluate HOPE, create and approve policy changes, learn from past and current participants and receive recognition for specific accomplishments (e.g., receiving an AA degree, completing training, securing employment, utilizing community resources). Training workshops on CPR/First Aid, Money Management, Scholarships, Taxes and Tenants Rights and Fair Housing are also offered throughout the year.

After completion of the program, the direct lease model is specifically designed to allow youth to continue residence in their apartment. Youth will also have the opportunity to keep their furnishings even if they choose to change residence. Youth will receive their HOPE accumulated savings as deposited in the interest bearing savings account and apartment deposit amount, provided there are no fees due to the apartment complex.

Services to be provided in accordance with *Welfare and Institutions Code Section 16522.1, §(h) (1)-(21)*.

Please see the attached Certification Materials submitted by Whole Person Learning, Inc. to demonstrate in detail how HOPE will provide services in accordance with Welfare and Institutions Code Section 16522.1, §(h) (1)-(21).

IV. Rights of HOPE Participants

The following is a list of all rights to which HOPE participants are entitled, according to the California Manual of Policies and Procedures, Section 30.920.

- The HOPE program will only serve eligible tenants as defined in MPP Section 30-900.13.
- The HOPE program shall not discriminate on the basis of race, national origin, gender, sexual orientation, or disability and that youth who were wards of the court as described in Welfare and Institutions Code Section 602 and youth receiving psychotropic medications shall be eligible for consideration in the program and shall not be automatically excluded due to these factors.
- HOPE shall, with the assistance of a county designee, assist each tenant to complete the STEP/THP-Plus TILP form.
- HOPE tenants and workers will coordinate services with ILP, other community service providers and youth supports to accomplish the goals described in their STEP/THP-Plus TILP.
- The tenant's STEP/THP-Plus TILP is reviewed and updated at least annually by the tenant, the county designee, and other appropriate individuals and as needed to reflect necessary changes.
- Tenants shall be allowed the greatest amount of freedom possible in order to prepare them for self-sufficiency.
- HOPE participants will be provided housing that has reasonable transportation access to schools, employment, appropriate supportive services, shopping and medical care.
- Whole Person Learning/HOPE ensures that all agency employees are trained and capable of working with former foster youth.
- Criminal record clearances are required for all Whole Person Learning employees.
- HOPE staff will work with property managers and housing agencies to assure compliance with applicable federal, state, and local housing laws and fire clearance requirements.
- No more than two tenants will share a bedroom.
- Youth participating in HOPE will be free from arbitrary and capricious rules. They will have all HOPE Policies, Agreements and Lease Agreements written in appropriate and understandable languages and formats. These policies and agreements will be reviewed with the youth's transition team and signed by the youth and all other parties. Youth will have the right to appeal any loss of services and financial assistance before they are suspended (unless imminent physical harm

would result). Youth will also have the right to a grievance procedure. If youth are not satisfied with the program and/or have a complaint or grievance they will discuss their concerns with their HOPE Coach, the HOPE Program Director, the El Dorado County Contract Liaison and/or the El Dorado County Ombudsman. If necessary, we may utilize mediation services to find mutual resolution.

- Whole Person Learning will assure that HOPE participants' right to confidentiality is respected. This right applies to the dissemination, storage, retrieval and acquisition of identifiable information. Information about a youth's receipt of services will not be released without a written release from the tenant.
- The HOPE participant's right to privacy will also be respected. Information will only be requested from youth when it is specifically needed for the provision of services. Written documentation verifying the necessity of the information will be provided if youth are required to give information as a condition of obtaining services.
- By utilizing the direct lease model of scattered site housing, youth will directly lease their apartments with HOPE Youth Coaches and Directors working behind the scenes to assure housing stability. The functions of property management and service delivery will be separate. HOPE will use third party agreements with the tenant, property manager and HOPE to clearly define the roles and responsibilities of each party.
- Whole Person Learning shall comply with California landlord-tenant law (Civil Code Section 1940, et seq.) and/or the Transitional Housing Misconduct Act (Health and Safety Code Section 50580, et seq.). HOPE staff will work with property managers and housing agencies to access resources and materials that will help to confirm proper compliance with state and federal fair housing laws.
- If medical services are needed by tenants, these services shall be provided by a medical professional or an appropriately licensed (or otherwise legally operating - e.g. county) clinic or adult day health center that may offer services off-site or through a home visit program, including services which are made available on a regularly scheduled basis on-site.
- HOPE participants are given a choice regarding what services to access and the location of the services (onsite or offsite), as long as the goals of the STEP/THP-Plus TILP are being met.
- The THP-Plus program is clearly distinguishable from those that are required to be licensed as an Adult Residential Care facility under Health and Safety Code Section 1502(a)(1) or Health and Safety Code Section 1503.5(a).

- As noted in the Whole Person Learning, Inc. THP-Plus Certification Materials, applicable provisions of Welfare and Institutions Code Section 16522.1 are incorporated.
- As also noted in the Certification Materials, a description of the tenant application process and the selection criteria are included.
- HOPE will deposit \$50.00 a month in an interest bearing savings account in any bank or savings and loan institution whose deposits are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation. The principal and interest shall be distributed to the tenant when he/she leaves the program, provided there are no fees due to the apartment complex above and beyond the deposit amount.

Revised: November 30, 2016

Whole Person Learning, Inc.
THP-Plus Certification Materials

Submitted to El Dorado County
September 1st 2010

Whole Person Learning will operate a THP-Plus Program in compliance with the requirements with the California Welfare and Institutions Code Section 16522.1, §(h) (1)-(21). Provided below are the 36 requirements immediately followed by the adopted policies of Whole Person Learning:

1. Eligibility

The Housing Opportunities Providing Experience (HOPE)/THP-Plus program, administered by Whole Person Learning, will serve young adults ages 18 and not yet 24 years old who have emancipated from court ordered out of home foster/probation care at age 18, or as specified in the THP-Plus guidelines. These eligible participants will also have established and be pursuing the goals identified in their County-approved Supportive Transitional Emancipation Program (STEP) Transitional Independent Living Plan (TILP).

Whole Person Learning will work closely with El Dorado County Independent Living Program (ILP) and/or other county ILP Coordinators to verify proof of dependency, age at emancipation, placement type and ILP participation.

2. Non-discrimination

The HOPE program will not discriminate on the basis of race, color, national origin, age, religion, political affiliation, gender, mental or physical disability, sexual orientation, or any other basis protected by federal, state or local law, ordinance or regulation. Youth who were wards of the court as described in Welfare and Institutions Code Section 602 and youth receiving psychotropic medications shall be eligible for consideration and will not be automatically excluded due to these factors.

3. Separate Property Management and Service Provider Functions

By utilizing the direct lease model of scattered site housing, youth will directly lease their apartments with HOPE Youth Coaches and Directors working behind the scenes to assure housing stability. The functions of property management and service delivery will be separate.

4. Participant Application and Selection Criteria

Youth will begin the THP-Plus application process by completing a referral form (see attached) with the referring contact person. At this point, youth will be screened for eligibility requirements. When a housing slot becomes available, the next step will be for the youth and their supports (which may consist of the referring contact person, their ILP worker, a youth or parent advocate, and other permanent supports) to attend an application meeting where they review the Transitional Housing Policies and Tenant/Provider Contract Agreement (see attached). After reviewing these documents, if youth decide to continue the application process, they would be required to complete the application form (see attached),

which includes listing three references. Also, youth will be required to attach their current budget and TILP. The application, references and supporting documents will be reviewed with the following criteria:

- Youth must be actively participating in or have a history of active participation for at least three months in a County Independent Living Program.
- Active participation is defined as: meeting with ILP worker for all scheduled appointments, calling to cancel if unable to participate and working toward goals as identified in the TILP.
- Youth must be actively involved in mental health and/or substance abuse treatment, as recommended by a licensed and/or certified practitioner.
- Youth is willing to participate in all aspects of THP-Plus and will follow the THP-Plus Policies.
- Youth is willing to participate with a support team in decision making and goal setting for success in THP-Plus.
- Youth does not have sufficient resources available through other agencies/private funding.
- Pregnant or parenting youth may be given priority if she/he meets all the guidelines.
- Older youth (ages 20-23) may be given priority, if he/she meets all other guidelines.
- Youth who are homeless or pending immediate homelessness may be given priority if he/she meets all other guidelines.

If the applicant meets the above criteria, an interview will be scheduled with the youth and their supports. The THP-Plus interview panel will consist of, at minimum, an El Dorado County Representative, and a HOPE Administrative staff. Interview questions will reflect the above criteria and the strengths and needs of the young adult. A second interview may be scheduled, if needed. The interview panel would then decide to accept or reject the application. Application rejections will be in writing and include specific information regarding why the applicant was not accepted.

Note: If a youth is terminated from THP-Plus, he/she may be given the opportunity to be reconsidered for program participation. If so, the following would be required:

- A new THP-Plus referral would need to be made.
- A "Request for Reconsideration" must be completed by the youth in writing, stating why he/she was terminated from the program, what progress has been demonstrated in the areas that resulted in his/her termination, and what would be done differently in the future. Supporting documentation will be required to show evidence of progress.
- A team meeting with the youth and their past and current supports would be held to discuss a specific plan that outlines the youth's transition goals, how program

requirements would be met in the future and how previous actions would not be repeated.

- The youth would be required to maintain his/her goals for a specified period of time as outlined in their plan before their referral is reconsidered.

5. Monitoring Placements

Placements will be monitored by extensive tracking of the youth's progress toward their identified goals as outlined in their Transition Plans and STEP TILP's. Transition Plans are created and updated on a quarterly basis with youth, their support team and HOPE Coaches. The youth's Tennant Provider Contract Agreement and Plan for Fiscal Self Sufficiency, which outlines the financial commitments for youth and HOPE, (see attached) are also continually monitored to ensure program compliance. Youth Coaches will meet with youth on at least a weekly basis to work toward the completion of the youth's individual goals. Whole Person Learning will also participate in the Statewide THP-Plus Participant Tracking System. Entrance, quarterly, exit and six month follow up reports will therefore be completed for each youth that participates in the program. Youth will also complete annual youth satisfaction surveys to measure the success of our program. Data will be continuously updated and progress reports will be provided to the county on a quarterly basis.

6. Education Requirements

Participant will regularly attend school, obtain a high school diploma or GED, and/or participate in a job-training program. Once he/she meets these goals, they agree to further their education through participation in college, trade school, or other vocational training. HOPE Youth Coaches will regularly monitor progress in school, work or vocational training.

7. Work Requirements

Participant is expected to obtain employment and maintain a paying job. If youth is not working, he/she will register and actively participate in job seeking through the local One-Stop Career Center and other employment resources, maintain active job search and/or do volunteer/community service work. ILP and HOPE Youth Coaches will also assist with employment search and other employment resources.

8. Savings

Youth will open a savings account. Youth will be encouraged to save up to 50% of their monthly earnings (for at least the first six months). As the youth's portion of rent increases the savings requirement can be reduced. HOPE will contribute \$50.00 per month in an interest bearing savings account in any bank or savings institution whose deposits are insured by the FDIC or the Federal Savings and Loan Insurance Corporation. The principal and interest shall be distributed to the young adult when they leave the program, provided there are no fees due to apartment complex above and beyond the deposit amount.

9. Personal Safety

Local emergency phone numbers will be posted, including fire, police and HOPE Youth Coaches. Youth will be encouraged to complete First Aid and CPR classes within 90 days of admission. Youth are asked to exercise safe and responsible behaviors at all times. Youth will also be given the El Dorado County 24-hour Crisis phone number.

10. Visitors

Policies regarding visitors shall be as follows:

- No visitors will stay in apartment overnight without prior approval of roommate and notification to HOPE Youth Coaches.
- No visitors will be allowed into apartment without permission of roommate.
- The program participant will be held accountable for any problems or damages caused by his/her visitors. Monitoring behavior of the visitor is the responsibility of the program participant and visitors should be told to leave if they act inappropriately.
- Visitors in possession of drugs and or alcohol or under the influence of drugs and alcohol are not allowed into apartments.
- Visitors possessing weapons of any kind are not allowed into apartments.
- Runaways are not allowed into apartments at any time. Knowingly allowing a runaway into an apartment can result in immediate program termination.

Any problems concerning a visitor should be reported immediately to HOPE Youth Coaches or appropriate authority.

11. Emergencies

For life threatening emergencies, program participants will be instructed to call 911. An evacuation plan and emergency phone numbers will be posted. All emergencies must be reported to HOPE Youth Coaches. A staffed 24 hr. crisis line will be available seven days a week through El Dorado County.

12. Medical Requirements

HOPE Youth Coaches will help youth identify and access medical resources within the community. Staff will work with youth to arrange transportation to all medical appointments. If a medical condition could result in harm to self or others, documentation may be required to continue or participate in THP-Plus.

13. Disciplinary Measures

Termination or disciplinary action will be considered if:

- Youth act in such a way that their behavior is dangerous to themselves or others. (Domestic violence or violence towards others will not be tolerated.)
- Youth refuse to take part in the program requirements, e.g.: not keeping appointments with HOPE Youth Coach. Youth abuse alcohol or any non-prescribed or prescribed drugs.
- Youth choose to not attend to their mental health and/or substance abuse treatment, as recommended by a licensed or certified practitioner.

- Youth stay away from apartment for an extended period of time without notifying their HOPE Youth Coach.
- Youth allow a runaway to stay at apartment.
- Youth are affiliated in any way with gang-related individuals or activities.
- Youth drive a motor vehicle while uninsured or unlicensed.
- Youth severely damage or destroy property.
- Youth break the rules of lease/apartment complex and/or the Youth Coach requests their removal.
- Youth decide that they no longer want to participate in the HOPE Program.

Depending upon the severity of the issue, the following process of notification and corrective action could be used:

HOPE Youth Coach will note and discuss the issue with youth. Needed changes and/or corrective action will be identified.

Written notice will be issued if changes do not occur.

- A team meeting with youth's supports will be completed for review and update of Tennant/Provider Contract Agreement to include necessary changes for continued participation in HOPE.

A Second Written Notice will be issued if changes do not occur.

- A team meeting with youth's supports will be completed for review and update of Tennant/Provider Contract Agreement to include necessary changes for continued participation and/or possible termination at Third Notice.

Third Notice and final notice will be issued.

- A team meeting with youth's supports will be completed to discuss transition out of THP-Plus.

Note: Under certain circumstances, e.g. violation of safety issues, immediate action and/or termination may be taken.

Counseling memos may be issued for less severe non-compliance.

14. Child Care

Childcare plans will be developed with a team approach, if appropriate/needed.

15. Pregnancy

Youth who become pregnant or parenting during the course of the program, will be encouraged to continue in HOPE unless there is a medical reason for her not to live independently. The unique need of the youth (e.g. maternity leave, parenting classes, assistance with child care referrals and modified work or school schedules) will be addressed with a team approach.

16. Curfew

In the spirit of running a program that allows the greatest amount of freedom possible, youth will be responsible for their own hours. The rules of the housing complex must be followed regarding quiet time.

17. Apartment Cleanliness

Each participant will be responsible for the order and cleanliness of their apartment. HOPE Youth Coach will assist youth in learning how to maintain healthy living environments. Youth must keep the agreements of their lease.

18. Budgeting

Youth will be required to create and maintain a realistic budget with assistance of their HOPE Youth Coach. Youth and their HOPE Youth Coach will review all financial records, including bank statements on at least a monthly basis. Youth will also keep a check register of all monies spent and review it on a weekly basis with their HOPE Youth Coach. Youth will be required to discuss major purchases (anything above \$50.00) with HOPE Staff before purchasing an item, unless needed for an emergency situation. Youth will work with HOPE Staff regarding the consequences of dept and unauthorized purchases.

19. Care of Furnishings

The HOPE program will provide youth with basic furnishings for their apartments. If youth damage or destroy any property they will be responsible to pay for the damages. Youth agree to make arrangements to take furnishings with them upon graduation from the program, if they choose to change residence.

20. Cars

Driving any motor vehicle while uninsured or unlicensed may lead to termination from the program. Youth must adhere to the rules of the housing complex.

21. Lending or Borrowing Money

Youth will be advised not to borrow or lend money. Consequences of debt or lending will be discussed before entering into a contract. Youth realize that the HOPE staff will not lend money. Before entering into a contractual agreement, such as credit card, auto loan, rental or purchase, youth will obtain permission from their HOPE Youth Coach.

22. Dating

Youth will be responsible for making healthy decisions regarding dating. All policies regarding visitors apply to "dates". Any problems concerning a visitor or date should be reported immediately to HOPE staff or the appropriate authority. Policies regarding termination or disciplinary action can also involve dates.

23. Ground Rules for Termination

When youth enter HOPE, they sign an agreement that outlines the following possible reasons for termination from the program and disciplinary measures:

- Youth act in such a way that their behavior is dangerous to themselves or others. (Domestic violence or violence towards others will not be tolerated.)
- Youth refuse to take part in the program requirements, e.g.: not keeping appointments with HOPE Youth Coach. Youth abuse alcohol or any non-prescribed or prescribed drugs.

- Youth break the rules of lease/apartment complex and/or the Youth Coach requests their removal.
- Youth decide that they no longer want to participate in the HOPE Program.

Depending upon the severity of the issue, the following process of notification and corrective action could be used:

HOPE Youth Coach will note and discuss the issue with youth. Needed changes and/or corrective action will be identified.

Written notice will be issued if changes do not occur.

- A team meeting with youth's supports will be completed for review and update of Tennant/Provider Contract Agreement to include necessary changes for continued participation in HOPE.

A Second Written Notice will be issued if changes do not occur.

- A team meeting with youth's supports will be completed for review and update of Tennant/Provider Contract Agreement to include necessary changes for continued participation and/or possible termination at Third Notice.

Third Notice and final notice will be issued.

- A team meeting with youth's supports will be completed to discuss transition out of THP-Plus.

Note: Under certain circumstances, e.g. violation of safety issues, immediate action and/or termination may be taken.

Counseling memos may be issued for less severe non-compliance.

ILP Requirements

24. Complete ILP Goals and Activities

HOPE staff, with the assistance of a County ILP Staff, will ensure each participant has completed their Supportive Transitional Emancipation Program Transitional Independent Living Plan (STEP TILP). HOPE workers will then coordinate services with ILP and other community service providers to ensure that progress is made toward the goals and skill development identified in the plan.

25. ILP Updates

The youth's STEP TILP will be updated annually and as needed to reflect changes.

26. Evaluate Progress with ILP Goals

Youth will complete their Supportive Transitional Emancipation Program Transitional Independent Living Plan (STEP TILP) at entry into the program. The STEP TILP will provide baseline data on education, employment, health, housing, financial status and permanent supports. The youth's goals in these areas will be identified, monitored and/or completed at quarterly transition meetings, using the more individualized transition plan. HOPE Youth Coaches will coordinate services with ILP and other community service providers to ensure that progress is made toward the goals and skills identified in these instruments. Data will be continuously updated and progress reports will be provided to the county on a quarterly basis.

Counseling memos may be issued for less severe non-compliance.

Discontinuance from HOPE will occur when all other options are exhausted or when there is a violation of the Transitional Housing Participant Misconduct Act.

If a youth is terminated from the program, the HOPE Program services and financial assistance would be discontinued. The property manager would be notified that there would no longer be an agreement with Whole Person Learning to support the placement. If youth can continue to afford the apartment, they may choose to continue their lease.

28. Free From arbitrary and Capricious Rules

Youth participating in HOPE will be free from arbitrary and capricious rules. They will have all HOPE Policies, Agreements and Lease Agreements written in appropriate and understandable languages and formats. These policies and agreements will be reviewed with the youth's transition team and signed by the youth and all other parties at entry into the program. Youth will have the right to appeal any loss of services and financial assistance before they are suspended (unless imminent physical harm would result). Youth will also have the right to a grievance procedure. If youth are not satisfied with the program and/or have a complaint or grievance they will discuss their concerns with their HOPE Coach, the HOPE Program Director, the El Dorado County Contract Liaison and/or the El Dorado County Ombudsman. If necessary, we may utilize mediation services to find mutual resolution.

29. Right to Confidentiality

Whole Person Learning will assure that HOPE participants' right to confidentiality is respected. This right applies to the dissemination, storage, retrieval and acquisition of

identifiable information. Information about a youth's receipt of services will not be released without a written release of information from the participant.

30. Right to Privacy

The HOPE Participant's right to privacy will also be respected. Information will only be requested from youth when it is specifically needed for provision of services. Written documentation verifying the necessity of information will be provided if youth are required to give information as a condition of receiving services.

WHEREAS, “Breach” shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

WHEREAS, “Unsecured PHI” shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. **Definitions.** Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.

2. Scope of Use and Disclosure by BA of County Disclosed PHI

- A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
- B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
 - (1) Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 - (2) disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
 - (3) Disclose PHI as necessary for BA's operations only if:
 - (a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
 - (i) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and,
 - (ii) The third party will immediately notify BA of any breaches of confidentiality of PHI to extent it has obtained knowledge of such breach.
 - (4) Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
 - (5) Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
 - (6) De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
- C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.

3. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:

- A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with 45 CFR 164.308,164.310,164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
 - C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
 - D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.
4. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:
- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
 - B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
 - C. To assist the County in meeting its disclosure accounting under HIPAA:
 - (1) BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if know, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy

of the individual's authorization, or a copy of the written request for disclosure.

- (2) Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.

- D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary") , BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.

5. Obligations of County.

- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
- D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
- E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.

6. Term and Termination.

- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
- B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
 - (1) Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
 - (2) Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
 - (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.

- C. Effect of Termination.
 - (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.
 - (2) In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

7. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

Exhibit F

- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
 - E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
8. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
 9. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
 10. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
 11. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
