

**Reporting Service Subscription Agreement
For Internet Access
to SafeMeasures®
#805-S0811**

This Agreement is between the National Council on Crime and Delinquency, a non-profit corporation organized under the laws of New York, with business offices in Madison, Wisconsin, USA ("NCCD"), and the County of El Dorado, a political subdivision of the State of California and its Affiliates (collectively, "Customer").

**BACKGROUND AND
PRODUCT DESCRIPTION**

- A. NCCD has developed and owns all rights, title, and interest in a certain child welfare reporting service identified as the NCCD Internet Reporting Service, and referred to as SafeMeasures®. SafeMeasures® uses case level data from a child welfare agency's management information system (MIS) and publishes it via a conventional web-browser in a series of concise, interactive management reports.
- B. SafeMeasures® is a subscription reporting service which permits customers to monitor service delivery activity by navigating an extensive set of reports presented in graph and chart format. These reports permit them to estimate current workload demand, plan more effective service interventions, and monitor certain performance indicators established by state or federal regulatory requirements. SafeMeasures® includes case level quality control displays which agencies may employ to improve compliance with state or federal performance audits.

Acknowledging the sufficiency of the consideration exchanged, the parties agree as follows:

1. Provision of Service.

1.1 Web Based Reports. During the Term of this Agreement, NCCD will provide Customer with interactive web-based management reports, ("Management Reports") which permit the Customer to categorize agency compliance with various measures, and permit Customer to identify the specific cases within each category. NCCD will specifically:

- (a) Provide Management Reports within 45 business days after first receiving raw MIS data from the Customer, and
- (b) Provide regular updates of Management Reports, provided that Customer or another agency regularly submits raw MIS data to NCCD for processing and analysis. Such updates will be provided within three business days of receipt of the MIS data by NCCD.

- 1.2 Access to Customer Data: If requested by NCCD, Customer will supply a copy of the CWS/CMS databases, or specifically designated data tables therein, that store agency data to be used by NCCD. If data is supplied by a third party, Customer will authorize and facilitate release of the data to NCCD.
 - 1.3 Access to Website Restricted: The right to access the SafeMeasures® website is agency-specific to the El Dorado County Human Services Department. Only this Department and its employees or agents may access or use the SafeMeasures® website for the Department's monitoring and reporting needs. Specifically, and without limitation, the Department and Customer may not act as a relay or intermediary allowing access to the SafeMeasures® website to any third party jurisdiction, agency, individual, or business for any purpose.
 - 1.4 Internal Business. Customer may only use SafeMeasures® for its own internal purposes. Customer's internal purposes do not include extending this service to third parties, except that data may be provided to state and governmental authorities if required by law.
 - 1.5 Competing Services or Products. Customer shall not use all or any part of SafeMeasures® or its documentation to create a service or product that competes with, or is used in a product that competes with, all or any part of SafeMeasures®, regardless of whether such service or product is distributed with or without consideration.
 - 1.6 Copyright Ownership and License. Customer acknowledges that NCCD owns the copyright in all graphic interfaces, reports, displays and formats, ("Original Works"). NCCD grants Customer a fully-paid up license to display, reproduce, and distribute the Original Works for its internal purposes for the Term of the Agreement.
 - 1.7 Training. NCCD will provide training as specified in Exhibit A. Customer will provide training facility, equipment, and access to NCCD Internet training site.
2. Data Transmission. Customer, or other party supplying MIS data, shall use one of the following methods to send weekly extracts of agency MIS data to NCCD for processing and analysis:
 - 2.1 Compact Disk. Customer or supplying party will copy data onto one or more compact disks and mail to NCCD via overnight delivery service; or
 - 2.2 Secured File Transfer Protocol (SFTP) over Secure Shell (SSH). Customer or supplying party will send data over a secure channel to NCCD's secure SSH server. This transfer may be made using a dedicated SSH file transfer client.
 3. Reporting Service Subscription Fee. Customer will pay NCCD the fees ("Reporting Service Subscription Fees") according to the payment schedule specified in attached Exhibit A and all applicable taxes related thereto unless Customer provides evidence that Customer is exempt from such taxes.

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that El Dorado County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

County recognizes that SafeMeasures® is a subscription service. Once the annual subscription fee has been paid, this fee is non-refundable except for provisions provided in Section 5 of the Agreement. If County gives notice of cancellation of the Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein, such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement and this Agreement shall be automatically terminated at the end of the subscription year and County will be released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety at the end of the subscription year in which cancellation occurs.

4. Updates. During the Term of this Agreement, NCCD will provide to Customer updates, error corrections, and modifications to SafeMeasures® displays (“Updates”) as such Updates become available. Updates do not include modifications to displays specifically requested by Customer. Any Customer requested modifications must be made by NCCD at NCCD’s published service rates. NCCD reserves the right to use the displays created for Customer, and analyses to produce such displays for other parties whether such displays were suggested by NCCD or the Customer. NCCD shall not use any Customer data in its publishing for other parties without Customer’s permission.
5. Term and Termination.
 - 5.1 Term. The Term of this Agreement shall commence on July 1, 2008 and end on June 30, 2010 unless earlier terminated pursuant to Section 5.3. After expiration of the current Term, NCCD will not provide any Updates to Customer, and Customer must cease all use of SafeMeasures®.
 - 5.2 Renewal. If Customer is not in default of this Agreement, Customer and NCCD may renew this Agreement for an additional one period (“Renewal Term”). Prior to the expiration of the current Term, NCCD may, in its discretion, issue a quotation of the Reporting Service Fees for the Renewal Term. Renewal of this Agreement will be effective upon (a) NCCD’s issuance of a quotation of the new Reporting Service Fees, and (b) NCCD’s acceptance of Customer’s corresponding purchase order.

In order to ensure continuous access to the SafeMeasures internet reporting service, the effective date of any renewal contract will begin one day after the previous contract expires. If a renewal contract is not fully executed and received by NCCD within 30 days of contract expiration, NCCD reserves the right to discontinue access to the SafeMeasures internet reporting service until a renewal contract is in place.

- 5.3 Termination for Cause. A party may terminate this Agreement if the other party commits a material breach that is not cured within 30 days of a written notice of such material breach. This Agreement may be terminated immediately for a breach of Customer's obligation to pay fees under this Agreement or a breach of Sections 1.3, 1.4, or 1.5 of this Agreement.

6. NCCD Warranty, Disclaimers, and Remedies.

6.1 Warranty. NCCD warrants that:

- (a) Provided that Customer or another designated party regularly submits the required raw MIS data to NCCD, SafeMeasures® will perform substantially as described in this contract and SafeMeasures® promotional material.
- (b) It is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. Contractor also warrants that it is not suspended or debarred from receiving federal funds as listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs issued by the General Services Administration.
- (c) NCCD will utilize all reasonable means and due diligence to protect the confidentiality and security of Customer data.
- (d) Except for the foregoing express warranties, NCCD neither makes nor grants any other warranties, express or implied. NCCD excludes all implied warranties including specifically any implied warranty arising by statute or otherwise in or from a course of dealing or usage of trade including any and all implied warranties of merchantability, merchantable quality, or fitness for any purpose, particular, specific or otherwise. The foregoing express warranty is the only warranty of any kind for SafeMeasures®. NCCD makes no warranties whatsoever for any Original Works® that have been modified by Customer nor does NCCD warrant that SafeMeasures® will be offered without interruption.
- (e) Customer acknowledges that NCCD provides no monitoring, analysis or review of the accuracy or quality of the Customer's data accessed through SafeMeasures®.

- 6.2 Remedies. If SafeMeasures® does not operate substantially as warranted (hereinafter describe as "Noncompliance"), Customer will provide NCCD with

sufficient details available to Customer about the Noncompliance to allow NCCD to reproduce it. As Customer's exclusive remedy for any Noncompliance, and as NCCD's entire liability in contract, tort, or otherwise of such Noncompliance, NCCD will either:

- (a) correct the Noncompliance; or
- (b) if NCCD is unable to correct the Noncompliance after a reasonable opportunity to do so, Customer may:
 - (i) Request that NCCD cease publication of any demonstrably incorrect information and request a pro-rata reduction in the Reporting Service fee; or
 - (ii) Terminate the Reporting Service Subscription and receive a pro-rated refund of the Reporting Service Subscription Fee.

7. Intellectual Property Indemnification by NCCD.

7.1 Indemnification. If a third party claims that SafeMeasures® infringes any copyright, patent, trade secret, or other rights of any third party, NCCD will (as long as Customer is not in material breach of this Agreement) defend Customer against such claim at NCCD's expense and NCCD will pay all damages that a court finally awards based solely on such claim, provided that Customer notifies NCCD in writing of such claim within 21 days of Customer's receipt of notice of the existence or possible existence of such claim, and further provided that Customer allows NCCD sole and exclusive control over the resolution of such claim and that Customer cooperates fully with NCCD, at NCCD's cost, in the defense of such claim and in any related settlement negotiations.

7.2 Replacement, Refund. If such a claim is made or appears possible, NCCD may, using reasonable business judgment, either secure Customer's right to continue to use SafeMeasures® by modifying or replacing the portion of SafeMeasures® that is the basis for the claim so that such portion of SafeMeasures® is no longer infringing, or NCCD may provide Customer with a credit equal to the portion of previously paid Reporting Service Fee prorated to the remainder of the Term or Renewal Term of the Agreement.

8. Limitation of NCCD's Liability, Consequential Damages. The cumulative liability of NCCD to Customer for all claims relating to SafeMeasures® and any services rendered under this Agreement, will not exceed the total amount of all Reporting Service Subscription Fees paid to NCCD by Customer for SafeMeasures® during the one-year period prior to the date NCCD is notified of such claim. This limitation will not apply to third parties indemnification obligations set forth in Section 7. In no event will NCCD be liable for any special, indirect, incidental or consequential losses or damages even if NCCD has been advised of the possibility of such potential loss or damage. Except as set forth in Section 7, and solely to the extent provided therein, NCCD will not indemnify Customer in any way against any claim.

9. Customer Warranties. Customer warrants that:

- 9.1 Customer will only allow access to SafeMeasures® as permitted under this Agreement. If Customer wishes to extend its use of SafeMeasures® beyond this Agreement, Customer will obtain NCCD's prior written consent and pay the applicable Reporting Service Subscription Fees.
- 9.2 Customer will provide the requested case-based MIS data to NCCD using one of the methods described in Section 2, or if data is supplied by another party, execute all necessary agreements and permissions to release this data to NCCD.

10. General.

- 10.1 Installation. Customer is responsible for providing access to the SafeMeasures® website via the Internet to its users. NCCD will, as requested, provide reasonable assistance (up to three hours) with set-up of user workstations and use of SafeMeasures® via telephone, fax, or email at no additional charge to the fees as outlined in Exhibit A. Customer may hire NCCD to provide additional training or assistance at the prevailing published rates plus travel expenses.
- 10.2 Notification of Rights. In copying SafeMeasures® web reports as authorized under the terms of this Agreement, Customer will not remove, suppress, or modify any notice of copyright, trademark, or other proprietary rights that appear in SafeMeasures®. Customer will use reasonable efforts to keep persons with access to SafeMeasures® from modifying or suppressing any of the copyright notices that appear on SafeMeasures® media, documentation, files, and banners.
- 10.3 Service Fees. NCCD reserves the right to charge additional service fees if Customer seeks assistance for any other matters not explicitly covered by this Agreement.
- 10.4 Complete Agreement, Modification of this Agreement. This Agreement contains the complete and final agreement of the parties and supersedes previous understandings related to the subject matter hereof whether oral or written. This Agreement may only be modified by an amendment signed by authorized representatives of NCCD and Customer. Any term in Customer's purchase order that is in addition to or different from terms of this Agreement other than acceptance of the Reporting Service Fees for the Renewal Term, are not part of this Agreement.
- 10.5 Non-assignment. Neither this Agreement nor the rights of Customer under this Agreement may be transferred, leased, assigned, or shared without NCCD's prior written consent.
- 10.6 Confidentiality. Customer will not disclose SafeMeasures® Original Works to anyone other than its employees, consultants (who are bound by a written confidentiality agreement), volunteers, and interns except for information that is or later enters the public domain through no fault of Customer.

- 10.7 Waiver. The waiver by either party of any default or breach of this Agreement does not constitute a waiver of any other default or breach of this Agreement or a subsequent waiver of that same default or breach.
- 10.8 Governing Law and Severability. The laws of the State of California and the United States govern this Agreement. Customer consents to jurisdiction and venue in the courts of El Dorado County, California or in the Federal District court in the Western District of California, for any claims arising out of this Agreement. If any part of this Agreement is held to be invalid, that part will be omitted, but the balance of the Agreement will remain in full force and effect.
- 10.9 Survival. All provisions of this Agreement relating to warranties, confidentiality, non-disclosure, proprietary rights, limitation of liability, indemnification obligations, and payment obligation survive the termination or expiration of this Agreement.
- 10.10 Headings. The headings used herein are for reference and convenience only and will not be used to interpret any provision of this Agreement.
- 10.11 HIPAA Compliance. NCCD will utilize all reasonable means and due diligence to protect the confidentiality and security of Customer data. Customer acknowledges that the privacy and security regulations issued pursuant to the Health Insurance Portability and Accountability Act of 1996 (the "HIPAA Privacy and Security Rules") do not apply to the Customer data which is the subject of this Agreement, because the data is not subject to requirements of HIPAA. However, NCCD acknowledges that the Customer data may include health information and other information of a personal and sensitive nature, and will adopt and keep current confidentiality and security procedures that are reasonably consistent with the current professional standards recommended by the HIPAA Privacy and Security Rules.
- 10.12 Notices. All notices or other communications required or permitted under this Agreement will be in writing and will be delivered by personal delivery, email (with delivery receipt), registered mail return receipt requested, a "Next Day Air" delivery service, or by facsimile transmission, addressed to the parties indicated below:

BOARD OF SUPERVISORS POLICY

Subject: TRAVEL	Policy Number D-1	Page Number: 2 of 14
	Date Adopted: 12/22/1987	Revised Date: 05/25/1999

POLICY:

1. General Policy

- a. County officers and employees should not suffer any undue loss when required to travel on official County business, nor should said individuals gain any undue benefit from such travel.
- b. County officers or employees compelled to travel in the performance of their duties and in the service of the County shall be reimbursed for their actual and necessary expenses for transportation, parking, tolls, and other reasonable incidental costs, and shall be reimbursed within maximum rate limits established by the Board of Supervisors for lodging, meals, and private auto use. "Actual and necessary expenses" do not include alcoholic beverages.
- c. Travel arrangements should be as economical as practical considering the travel purpose, traveler, time frame available to accomplish the travel mission, available transportation and facilities, and time away from other duties.
- d. Employees must obtain prior authorization for travel, i.e., obtain approvals before incurring costs and before commencing travel.
- e. Receipts are required for reimbursement of lodging costs, registration fees, public transportation and for other expenses as specified, or as may be required by the County Auditor-Controller.

- f. Requests for travel authorization and reimbursement shall be processed using forms specified by the County Auditor and Chief Administrative Office.
- g. The Chief Administrative Officer may, at his or her sole discretion, authorize an exception to requirements set forth in this Travel policy, based on extenuating circumstances presented by the appropriate, responsible department head. Any exception granted by the Chief Administrative Office is to be applied on a case-by-case basis and does not set precedent for future policy unless it has been formally adopted by the Board of Supervisors.

2. Approvals Required

- a. Department head approval is required for all travel except by members of the County Board of Supervisors. Department heads may delegate approval authority when such specific delegation is approved by the Chief Administrative Officer. However, it is the expectation of the Chief Administrative Officer that department heads take responsibility for review and approval of travel.
- b. Chief Administrative Office approval is required when travel involves any of the following:
 - (1) Transportation by common carrier (except BART), e.g., air, train, bus.
 - (2) Car rental.
 - (3) Out-of-county overnight travel.
 - (4) Members of boards or commissions, or non-county personnel.

- (5) Any exceptions required for provisions within this policy, e.g., travel requests not processed prior to travel, requests exceeding expense guidelines or maximums.
 - c. It remains the discretion of the Chief Administrative Officer as to whether or not costs of travel which were not authorized in advance will be reimbursed, and whether or not exceptional costs will be reimbursed.
3. Travel Participants and Number
- a. Department heads and assistants should not attend the same out-of-county conference; however, where mitigating circumstances exist, travel requests should be simultaneously submitted to the Chief Administrative Office with a justification memorandum.
 - b. The number of travel participants for each out-of-county event, in most instances, should be limited to one or two staff members, and those individuals should be responsible for sharing information with other interested parties upon return.
 - c. If out-of-county travel involves training or meetings of such technical nature that broader representation would be in the best interest of the County, the department head may submit a memo explaining the situation to the Chief Administrative Office, attached to travel requests, requesting authorization for a group of travelers.
 - d. Board of Supervisors members shall be governed by the same policies governing County employees except for the following:

- (1) A member of the Board of Supervisors requires NO specific authorization.
- (2) The following expenses incurred by a member of the Board of Supervisors constitute a County charge:
 - (a) Actual expenses for meetings and personal travel, necessarily incurred in the conduct of County Business. This includes but is not limited to mileage incurred while traveling to and from the Board members' residence and the location of the chambers of the Board of Supervisors while going to or returning from meetings of the Board of Supervisors.
- e. Non-County personnel travel expenses are not normally provided for since only costs incurred by and for county officers and employees on county business are reimbursable. However, reimbursement is allowable for county officers (elected officials and appointed department heads) and employees who have incurred expenses for non-county staff in the following circumstances:
 - (1) Meals for persons participating on a Human Resources interview panel when deemed appropriate by the Director of Human Resources.
 - (2) Conferences between County officials and consultants, experts, and public officials other than officers of El Dorado County, which are for

the purpose of discussing important issues related to County business and policies.

- (3) Transportation expenses for a group of County officers and employees and their consultants, and experts on a field trip to gain information necessary to the conduct of County business.
- (4) Lodging expenses for non-county personnel are NOT reimbursable except when special circumstances are noted and approved in advance by the Chief Administrative Office. Otherwise, such expenses must be part of a service contract in order to be paid.

4. Mode of Transport

- a. Transportation shall be by the least expensive and/or most reasonable means available.
- b. Private auto reimbursement may be authorized by the department head for county business travel within county and out of county. Reimbursement shall not be authorized for commuting to and from the employee's residence and the employee's main assigned work site, unless required by an executed Memorandum of Understanding between the County and a representing labor organization, or one-time, special circumstances approved by a department head.
- c. Out of county travel by county vehicle or private vehicle may be authorized if the final destination of the trip does not exceed a four (4) hour driving distance from the County offices. Any exception to this policy must receive

prior approval from the Chief Administrative Officer. If air travel would be more economical, but the employee prefers to drive even though travel by car would not be in the County's best interest, the County will reimburse transportation equal to the air travel; transportation costs over and above that amount, as well as any extra days of lodging and meals, etc., will be considered a personal, not reimbursable cost of the traveler.

- d. Common carrier travel must be in "Coach" class unless otherwise specifically authorized in advance by the Chief Administrative Officer. Generally, any costs over and above coach class shall be considered a personal, not reimbursable expense of the traveler.

- (1) Rental cars may be used as part of a trip using public transportation if use of a rental car provides the most economical and practical means of travel. The use of a rental car must be noted on the Travel Authorization in advance and authorized by the Department Head and Chief Administrative Officer. Justification for the use of the rental car must accompany that request. Rental car costs will not be reimbursed without prior authorization except in the case of emergencies. Exceptions may be granted at the sole discretion of the Chief Administrative Officer or designated CAO staff.

5. Reimbursement Rates

- a. Maximum rates for reimbursement may not be exceeded unless due to special circumstances documented by the department head and approved by the Chief Administrative Officer. The amount of any reimbursement

above the maximum shall be at the sole discretion of the Chief Administrative Officer.

b. Private Auto

Travel by private auto in the performance of "official County business" shall be reimbursed at the Federal rate as determined by the Internal Revenue Service.

Mileage for travel shall be computed from the employee's designated work place. If travel begins from the employee's residence, mileage shall be calculated from the residence or work place, whichever is less. (For example, an employee who lives in Cameron Park and drives to a meeting in Sacramento, leaving from the residence will be paid for mileage from the residence to Sacramento and back to the residence.)

The mileage reimbursement rate represents full reimbursement, excluding snow chain installation and removal fee, for expenses incurred by a County officer or employee (e.g., fuel, normal wear and tear, insurance, etc.) during the use of a personal vehicle in the course of service to El Dorado County.

c. Meals

Actual meal expenses, within maximum allowable rates set forth below, may be reimbursed routinely out-of-county travel, and for in-county overnight travel. Meals will not be provided for in-county travel or meetings which do not involve overnight lodging, unless special circumstances are involved such as the following:

BOARD OF SUPERVISORS POLICY

Subject: TRAVEL	Policy Number D-1	Page Number: 9 of 14
	Date Adopted: 12/22/1987	Revised Date: 05/25/1999

- (1) When meals are approved as part of a program for special training sessions, conferences, and workshops;
- (2) when employees traveling from the western slope of the county to Lake Tahoe and vice-versa are required to spend the entire work day at that location;
- (3) when the Director of Human Resources deems it appropriate to provide meals to a Human Resources interview panel;
- (4) when Senior Managers and/or Executives of El Dorado County or the El Dorado County Water Agency meet with executives of other governmental agencies, community organizations, or private companies in a breakfast, lunch or dinner setting in order to conduct County business. While such meetings are discouraged unless absolutely necessary to the efficient conduct of County or Water Agency business, such expenses for County managers require approval by the Chief Administrative Officer.

Actual costs of meals may be reimbursed up to a total of \$40 per day without regard to how much is spent on individual meals (e.g., breakfast, lunch, dinner, snacks), and without receipts. If an employee is on travel status for less than a full day, costs may be reimbursed for individual meals within the rates shown below.

Breakfasts may be reimbursed only if an employee's travel consists of at least 2 hours in duration before an employee's regular work hours. Dinner

may be reimbursed if travel consists of at least 2 hours in duration after an employee's regular work hours.

Maximum Allowable Meal Reimbursement

Breakfast	\$8.00
Lunch	\$12.00
Dinner	\$20.00
Total for full day	\$40.00/day

d. Lodging

- (1) Lodging within county may be authorized by a department head if assigned activities require an employee to spend one or more nights in an area of the county which is distant from their place of residence (e.g., western slope employee assigned to 2-day activity in South Lake Tahoe).
- (2) Lodging may be reimbursed up to \$125 per night, plus tax, single occupancy. The Chief Administrative Office may approve extraordinary costs above these limits on a case by case basis when the responsible department head and Chief Administrative Office determine that higher cost is unavoidable, or is in the best interest of the County.
- (3) Single rates shall prevail except when the room is occupied by more than one County employee. However, nothing in this policy shall be construed to require employees to share sleeping accommodations

while traveling on County business. In all travel, employees are expected to secure overnight accommodations as economically as possible and practical.

- (4) Lodging arrangements should be made, whenever possible and practicable, at hotels/motels which offer a government discount, will waive charges to counties for Transient Occupancy Tax, or at which the County has established an account. When staying at such a facility, the name of the employee and the department must appear on the receipt of the hotel/motel bill.

e. Other Expenses

All other reasonable and necessary expenses (i.e., parking, shuttle, taxi, etc.) will be reimbursed at cost if a receipt is submitted with the claim. Receipts are required except for those charges where receipts are not customarily issued, for example, bridge tolls and snow chain installation and removal fees. When specific cost guidelines are not provided by the county, reasonableness of the expense shall be considered by the department head and Chief Administrative Officer before deciding whether to approve.

Reasonable costs for snow chain installation and removal may be claimed and reimbursed. The purchase cost of snow chains would not be an allowable charge against the county.
