Subject: Cameron Parks Annual Property Tax Increment Allocation

Dear Ms. Daly,

Thank you for your letter regarding the Cameron Hills Annexation to the Cameron Park Community Services District (CPCSD).

The District respectfully requests an adjustment of a property tax allocation of 25%. This would adjust the Parks and Recreation calculation from 6% to 10% to better represent the services provided by the Cameron Park Community Services District. This would be consistent with the 10% received by the El Dorado Hills CSD.

I am unclear as to why the calculation for the CPCSD is not consistent with El Dorado Hills as the services are compatible between both Districts as it relates to Park and Recreation. If there is any information that provides an analysis and background of the calculation, please provide so that the District is able to review.

Please feel free to contact me with any questions.

Sincerely,

Mary Cahill  
General Manager
