Please indicate what exemptions may apply to the information you submit (such as a 'proprietary information' exemption). Please note that designating information as "proprietary" does not guarantee non-disclosure. In the event of a request for such information, the County will make best efforts to provide notice to bidder prior to such disclosure. If bidder contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief, or other appropriate remedy from a court of law in El Dorado County before the County's deadline for responding to the CPRA request. The County shall have the unqualified option to make any needed replacement or repairs itself or to have such replacement or repairs done by the Vendor.
