Madame Clerk,

Please attach these comments to the above agenda item for tomorrow. Thanks much.

- The Board could pilot the new schedule for six months and then evaluate attendance and feedback before any full-scale adoption.

I believe this modest adjustment would significantly improve access, engagement, and the democratic process in El Dorado County.

Thank you for your consideration of this proposal. I look forward to the opportunity for our community to participate more fully in the important work of the Board.

Sincerely,
