Regarding agenda item number and meeting date: S10-0009 Villa Florentina Bed & Breakfast_BOS -
March 20, 2018**Re: Special Use Permit S10-0009/Villa Florentina Bed & Breakfast**

To the Board of Supervisors,,

I am writing to supprt the Planning Commission's recommendations regarding Villa Florentina. We are frequent visitors to the neighborhood of Villa Florentina and have been adversely affected by the noise of their large events. Please rule to adopt the recommendations of the Planning Department to modify their Special Use Permit to remove the use of special events and particularly amplified music. The Bed and Breakfast that they operate does fit in with the neighborhood and does not cause disturbances, but their large events have repeatedly been a problem for the neighborhood. I have Stage IV cancer and frequently visit frieinds who live in this neighborhood to rest and recuperate from treatment. There is nothing so peaceful and healing as sitting where I can watch the river flow by, especially in the evening around sunset. However, the amplified music and voices from VF are clearly audible even when I'm sitting by the river, and, obviously, this noise completely disrupts the tranquility of the setting. These large, loud events just don't seem to fit in a Rural Residential neighborhood. They are excessively loud, intrusive, and inescapable for the residents. Please adopt the recommdations of the Planning Commission, which would rectify the situation.

Thank you,
