EL DORADO COUNTY
AGRICULTURAL COMMISSION

Member Position Applying For: Forestry/Related Industries

Name: William F. Draper (Bill)

Occupation: Forest Consultant Daytime Phone: (530) 644-5535

Address: 4645 Meadowlark Way Placerville, CA 95667

Describe the agricultural activities in which you are involved.

I am a Registered Professional Forester and as a RPF, I do fire safe planning throughout the County. Additionally, I have been serving the Agricultural Commission as an ex-officio member for the last 3 years. I also own a developing tree farm here in El Dorado County.

Describe your experience in the field of agriculture (please be specific).

I grew up on a small chicken ranch/walnut orchard in So. Calif. and was a 4-H member. I have been involved with forestry related issues since 1966 dealing with fire, timber harvesting, regulation development and landowner assistance. I have been both an apple grower and Christmas tree grower in Apple Hill for 12 years.

Please give the reasons you wish to serve as a member of the El Dorado County Agricultural Commission.

Agriculture is an extremely important element in the make-up of El Dorado County. I want to see the ag industry continue to grow and flourish. The commission needs to have qualified people to help steer good agricultural decisions, and I feel I would make a positive contribution with this commission in supporting El Dorado's agriculture.

Wm F Draper
