Project Location: Various throughout northern El Dorado County

Project Description: Conditional use permit to allow for the construction and operation of ten communication towers. The communication facilities would consist of galvanized steel towers erected on a 2.5 foot diameter reinforced concrete pier bored 3.5 feet into the ground and an equipment cabinet to house the network switching equipment and backup battery. Up to two 3-foot radius dish antennas and nine sector antennas would be installed on each tower. The towers would range in height from 40 to 120 feet. Access to the sites would be through existing private driveways.
