RE: April 25, 2011 Board of Supervisors meeting

Gentlemen and Lady:

We understand that there may be controversy about the management of the Sheriff's department as it relates to the Board of Supervisors oversight.

We supported John D'Agostini in the recent election because we became convinced that he is the best candidate for the job, and that he will create and maintain an environment that will ensure that the interests of the County residents and department personnel are well served.

We recognize that he takes direction from the Board as to budgets, however we believe he will be most successful if he is allowed to establish his own policies and procedures within the department, and administer the department in the most effective and efficient manner to achieve the stated goals which resulted in his election.

Respectfully Submitted,

Barbara L. Cook
