Dear Friends,

Enclosed is a grant for 2018 support of the South Lake Tahoe Library.

This \$156,882.20 grant is made possible through the generosity of the advisors of the ***Jean T. and Stephen D. Myers Endowment Fund at the El Dorado Community Foundation***. The annual grant amount will be determined according to El Dorado Community Foundation protocols.

These funds are being released for the primary purpose of expanding the hours of the South Lake Tahoe Library, and to augment library community programs and internal modifications.

Please note that the donors have made the grant conditional on the County of El Dorado not modifying or reducing the county funding allocation because of this grant.

The El Dorado Community Foundation would like to request a partial accounting of the utilization of these funds prior to February 15, 2019, and a final accounting report by August 15, 2019.

We remain your committed partner

With Kindest Regards,

Bill Roby
Executive Director
