Subject: Board of Supervisors Meeting 14 Oct 08 Agenda Item 9; Annual Report of Special Taxes for County Service Area No. 3 and No. 9 Zones of Benefit

Agenda item 9 for the 14 October 2008 Board of Supervisors meeting presents Annual Report of Special Taxes for County Service Area No. 3 and No. 9 Zones of Benefit for Fiscal Years 2005-2006, 2006-2007, and 2007-2008. These reports show the ballot type used by each special tax Zone of Benefit. Some vote by registered voter and some by land owner. The documentation and information provided by El Dorado County to River Pines Estates Zone of Benefit states that special tax uses a registered voter ballot type and not land owner or property owner. This suggests that there is a compliance issue with all special taxes created by land owner or property owner ballot.

River Pines Estates Zone of benefit is always interested in their options that can make road maintenance and repair more efficient. Please provide the supporting regulations should various ballot type options become available for special tax or benefit assessment so they can be properly considered.

Sincerely,
Jerome T. Pasto
