To whom it may concern;

I am all for development and growth in a responsible way. However, I am gravely concerned about the plan to install 600-800 medium to high density residential units on Latrobe Road. El Dorado Hills has already seen an explosion of traffic with the buildout of Blackstone and the plethora of cars that come from Amador County on a daily basis. Not to mention the poor quality of many portions of Latrobe Road, and the fact it is undersized to accommodate the amount of cars this project would accommodate. It is also of concern that attracting low income residential units has been shown to lead to a rise in crime in other areas. People move to El Dorado Hills to escape the hell hole that is Sacramento and the bay area. They want to escape the nightmare-ish traffic in Folsom. And the project you're looking at approving will simply bring all of that here. 600 to 800 dwelling units is far too many for our already bloated region.

Subject: Opposition to the Carson Creek Village & Creekside Villages developments
To: <edc.cob@edcgov.us>

To whom it may concern,

I am writing to you today to voice my opposition, as well as 1,760 other El Dorado Hills residents opposition to the Carson Creek Village and Creekside Villages Developments.

Please find the attached spreadsheet containing 1,761 names of individuals opposing these developments.

The primary reasons for opposing these developments are:

1. Opposition to re-zoning business park lands to residential
2. Impacts to road traffic along Latrobe and White Rock Rd, increased commuter traffic on Hwy 50. These two developments with over 1,800 new residents WILL impact already congested conditions, especially with the Folsom Ranch development)
3. Impacts to local schools

We would rather see El Dorado County focus on business development, including the need for a grocery store, as well as the need for a local high school south on Latrobe.

Subject: Opposition to the Carson Creek Village & Creekside Villages developments
To: <don.ashton@edcgov.us>

Mr. Don Ashton:

I am writing to you today to voice my opposition, as well as 1,760 other El Dorado Hills residents opposition to the Carson Creek Village and Creekside Villages Developments.

Please find the attached spreadsheet containing 1,761 names of individuals opposing these developments.

The primary reasons for opposing these developments are:

1. Opposition to re-zoning business park lands to residential
2. Impacts to road traffic along Latrobe and White Rock Rd, increased commuter traffic on Hwy 50. These two developments with over 1,800 new residents WILL impact already congested conditions, especially with the Folsom Ranch development)
3. Impacts to local schools

We would rather see El Dorado County focus on business development, including the need for a grocery store, as well as the need for a local high school south on Latrobe.

Please convey our concerns and signatures, and let me know if you have any questions,
