1900 Lake Tahoe Blvd.  
South Lake Tahoe, CA 96150  
530-621-6290

# Drug Medi-Cal Organized Delivery System (DMC-ODS)

- ▶ The County participates in the Drug Medi-Cal organized delivery system. The DMC-ODS is a managed care model of service delivery for SUDS similar to the County Specialty Mental Health services model. County has been under contract with the State to provide Medi-Cal beneficiaries Substance Use Disorder Treatment Services through the DMC-ODS since June 1, 2019.

# Responsibilities

Access/Network Monitoring

Selective Provider  
Contracting

Utilization Management

Authorization for Residential

Quality Management  
Activities

Care Coordination

Beneficiary Protections

## Making sure:

- ▶ To have enough providers.
- ▶ To contract with qualified providers.
- ▶ Beneficiaries are referred and receive medically necessary services.
- ▶ To monitor providers to ensure quality of services.
- ▶ To coordinate care to ensure beneficiary success and linkages to treatment.
- ▶ To inform beneficiaries about their rights and offer formal grievance and appeal processes.

## Services

Screening

Assessment

Referral and Placement in  
Services

Care Coordination and  
Linkages

Recovery Support Services

A person calls the office line at **530-621-6290** or the **24/7 access line at 800-929-1955**

A triage assessment is completed and based upon indications a referral and appointment linkage is completed for outpatient services or an appointment is made for a full assessment for authorization to a residential level of care.

County SUDS staff work with the client throughout their treatment episode in accordance with the indicated level of need.

Recovery Services are available for those who need support once treatment is completed or need extra support during their treatment episode.

# SUD Perinatal Services

Granite Wellness

# County Prevention Programs

Prevention uses a County Strategic Prevention Plan (SPP) as the framework for local SUD youth prevention activities:

- ▶ A five-year plan. County is currently in year four of the current plan.
- ▶ Requires state approval.
- ▶ Based on county and local assessments, data and trends.
- ▶ Target strategies are focused on the prevention of marijuana and alcohol use among our youth.

# County Youth SUD Prevention Activities

## Peer Council

### Peer Council

- ▶ Serves high-risk youth at risk for entering into the juvenile justice system. The goal is to empower youth to positively change their lives by addressing poor choices and anti-social behaviors in a peer-supported environment.
- ▶ Prevention staff recruit and train youth volunteers to provide the peer support. Peers are trained in Adverse Childhood Experiences, Active Listening, Risk and Resilience factors, Leadership skills, as well as signs and symptoms of anxiety, depression and substance use disorders.

# County Youth SUD Prevention Activities

Botvin Life Skills Training

Friday Night Live

Club Live

## Botvin Life Skills Training

- ▶ Prevention staff facilitate school classroom training to middle school students using an evidenced based curriculum designed to help students learn and apply personal self-management skills, general social skills and drug resistance skills.

## Friday Night Live/Club Live

- ▶ Supports youth to be free of alcohol, tobacco and other drug use through education and asset building. Youth have the opportunity to gain important leadership skills and create positive change in their community.

# Collaborative Partnerships

- ▶ SUDS staff works closely with community agency partners to ensure:
  - ▶ Access to care barriers are identified and reduced.
  - ▶ Services provided are coordinated and not duplicated.
  - ▶ SUDS input regarding community initiatives related to SUD treatment.

# Collaborative Partnerships

Community Based Coalitions

TUPE Collaboration

El Dorado Coalition for Overdose Prevention and Education (COPE)

## Tahoe Alliance for Safe Kids (TASK)

- ▶ SLT coalition focused on youth prevention
- ▶ Parent Group Texting Network (PGTN)
- ▶ Support to Friday Night Live/Club Live
- ▶ Challenge Days

## Tobacco Use Prevention Education (TUPE)

- ▶ County Public Health (PH) programming to reduce youth use of tobacco and marijuana.
- ▶ Collaboration with schools, EDCOE, and PH for training, technical assistance, best practices, grant writing.

## El Dorado Coalition for Overdose Prevention and Education (COPE)

- ▶ A community-wide collaborative of public and private partners working together to address the overdose epidemic in El Dorado County.
- ▶ Coalition members meet quarterly to share strategies, discuss interventions and adopt best practices toward the shared goal of reducing opioid addiction.

# Collaborative Partnerships
