Subject: Allocation from the Supplemental Law Enforcement Funds

Agenda Date: December 11, 2007

Dear Board Members:

Recommendation

Receive and file the 2006/2007 report of allocation of funds from the county's Supplemental Law Enforcement Funds and the annual report submitted to the State Controller.

Reason for Recommendation

SLESF funds are received from the State in accordance with AB 3229, Chapter 134 that added GC 30061 through 30065. The State funds are distributed to the counties based on populations and distributed to Jail, District Attorney, Sheriff, and Cities based on a formula specified in GC 30061. Government Code 30063 subdivision (c) requires a public report showing allocations from the county's Supplemental Law Enforcement Fund filed with the Board of Supervisors, Law Enforcement Oversight Committee (SLEOC), Sheriff and Police Chiefs.

Attached is a report for the fiscal year 2006/2007 showing the allocations to each entity and the annual report submitted to the State Controller.

Fiscal Impact – None

Net County Cost – None

Action to be Taken Following Approval

Receive and file reports.

Sincerely,

Joe Harn, Auditor-Controller

cc: Law Enforcement Oversight Committee, Sheriff, City Police Chiefs
