DEAR

Thank you for agreeing to host a four-day Vote Center for the 2020 Presidential Primary Election from February 29 to March 3, 2020. We are excited about partnering with your organization on our inaugural election using Vote Centers which truly increases our voter's access to voting. Your group has agreed to run a four-day vote center at _____.

You agree to provide a minimum of 4 volunteer staff members each day the vote center is open. Each staff person is required to attend training at the El Dorado County Election Departments in January of 2020. The training will be 3.5 hours and at the end of training each person will be certified to staff a vote center. An election official will contact you regarding the training schedule.

The election department will have an inspector at each site as well. The inspector is a veteran election worker and will be able to guide your team on election processes and procedures.

To be considered for this opportunity, your organization must be a non-profit community service organization in good standing in El Dorado County for at least 5 years. In consideration of your efforts, El Dorado County will make a payment to your organization for \$2,200.00 (\$5,600 for 11 day) at the successful completion of the election.

Please provide an email address and phone number for the organization's primary contact person so we can work directly with them to make training and staffing arrangement.

Again, thanks so much for partnering with us on this important step making voting more accessible to the voters of El Dorado County.
